Faison Lions Elect New Officers For The Coming Year

The Faison Lions Club at their regular meeting Friday, May 19, elected the following officers for the next year beginning in July: President, A. M. Davis; 1st Vice President, J. M. Smith; 2nd Vice President, Dennis Kinlaw; 3rd Vice President, J. W. Warren, Sr.; Lion Tamer, Pete Warren; Tail Twister, C. H. Millard, Jr.; Secretary, R. K. Thornley; Treasurer, C. R. Lewis; Directors, N. F. McCollman, L. D. Groome, and W. R. Clifton.

The above officers will be installed at the next regular meeting the 1st Friday in June and will take over their duties in July. The club meets the first Friday in June and then does not meet again until the last part of July due to the rush of the truck season. Many of the members are connected with the produce market and are not able to attend the meetings during the season.

THOUSANDS TO SING IN WILSON SUNDAY

Wilson, May 23 — Wilson's Municipal stadium has been filled on several occasions but the largest crowd ever to file into the stadium was registered last year when the annual Eastern Carolina Singing Convention drew 12,000 folks. That record may be broken on Sunday when the ninth annual Eastern Singing Convention is scheduled. A crowd of 15,000 or more is expected to listen to more than 500 voices taking part in the event. More than 100 singing groups

are scheduled to appear in the convention which runs from 10 a.m. until late afternoon. The convention is sponsored by the Wilson Jaycees. However, the voice department of the convention is supervised by the organization formed to present the Eastern Carolina Singing convention., headed by L. A. Hagwood of Newport News, Va. For the first time in history of

VOTE FOR J. R. GRADY FOR STATE SENATOR

8,000 Vehicles In Duplin

Raleigh, N. C. — The State's motor vehicle registration has passed the million mark, the North Carolina Department of Motor Vehicles reported today.

On May 19, registration reached 1,002,307, a gain of 108,118 over the total on the same day last year. The figure on May 19, 1949, was 893,189.

The million mark for 1949 was passed in October with a total of 1,030,319 motor vehicles registered for the year.

Duplin County lists 8,276 vehicles registered to date.

POLITICAL ANNOUNCEMENT Continued TO THE VOTERS OF DUPLIN COUNTY

I was taught as a boy to think for myself; to seek the truth and have the courage to follow my convictions.

One of the basic reasons for which governments are established is to keep the strong from oppressing the weak. One of the cardinal principles of the Democratic Party, has ever been, equal rights to all, special privileges to none. I have honestly tried to live up to the above while serving in the House of Representatives and if elected to the Senate will continue to do so.

None are over-anxious to pay taxes. But only by taxation can the money be gotten to perform the functions and services we rightfully expect from our government. Taxes levied should be in line with our wealth and income and the tax load should be distributed according to ability to pay. Never should we fail to think through and see who really in the end pays every tax levied. Only by so doing can we be fair to all the people. The low income folks who toil and sweat at the least desirable jobs earn and pay in the end taxes they never get credit for by many who howl about paying taxes they only pay in part and the rest is passed on to others.

Just as the paying of taxes is of much concern to all of us; so is the spending of our tax money important to every one. Our revenue should be so spent as to give service and opportunity to all.

The record shows that I supported legislation to improve our schools and roads and for State Aid to the poorer counties in many ways badly needed.

I voted in the Committee on Roads to increase the amount of money to be used on city streets. Some of the streets in our towns have been neglected just about the same as some of our county roads.

The motor vehicle inspection law was introduced in the Senate and passed without one single vote against it there. In the House 38 voted against it on the roll call which tested our position on it. I was one of the 38.

I voted against raising the Superior Court Judge's salaries and expense allowance from \$9,000.00 to \$12,500.00 and some other raises in the same class. But, I passed a bill to pay the jurors in Duplin County mileage for each day they serve in place of just one round trip for any number of days they have to serve at one time.

I returned to the people of Duplin County the right to elect our County Judge and Solicitor by their own vote.

I voted for a state wide referendum on the liquor question in the 47 and 49 Sessions and have not changed my position on that and will take the same stand if elected in the next one.

I haven't any apologies for the local bills introduced as it seemed only the democratic thing to do as some other towns had been given the privilege. If the people in the towns of Duplin are not capable of experimenting with the liquor problem then we are in a bad way indeed.

We find rotation pays on the farm and I think it is time for a change in the office of Senator.

It has been impossible for me to get out and see the voters in the county as I would like to, so I am calling on you through this paid announcement to fairly consider my candidacy.

Come on friends and let's do a little rotating in the office for Senator.
