**Hike Taxes Or Cut
Costs Is Uncle
Sam's Problem**

To help American families solve
their money problems the U. S.
Government is currently issuing
at least one pamphlet showing
people how to keep household

spending within the bounds of the
family income.

But here is what the Council of
State Chamber of Commerce finds
Uncle Sam is doing in his own
Federal household:

The Federal Government will
spend \$4½ billion more this year
than the \$36½ billion it will col-
lect in revenues. It is expected to
do substantially the same thing in
1951.

In only two years out of the last
20 (in 1947 and 1948) has the Fed-
eral Government balanced its bud-
get by living within its income. In
that time the public debt has risen
from \$17 billion to \$258 billion.
To return to a balanced budget,
the Council finds the Federal Gov-
ernment may do one of two things:
either increase taxes or reduce
spending.

But taxes of one kind or another
are already taking more than a
quarter of the people's income.

And as to reducing Federal
spending, the question always asked
is "Where?" Two senators, Har-
ry F. Byrd of Virginia and Paul
Douglas of Illinois, have offered
some detailed answers to that \$64
question with respect to the 1951
Federal spending budget.

4-H'ERS PRAISED

Keeping the nation's fleet of 3
1-2 million farm tractors operating
efficiently is a job of basic impor-
tance to the whole economy. Aid-
ing in this task to day is the 4-H
tractor maintenance program
through which nearly 130,000 club
leaders and members have been
trained to know their tractors, care
for them well and operate them
efficiently.

Leaders receive special training
in tractor care and operation at an-
nual State or district clinics, con-
ducted by the Extension Service
of State Agricultural Colleges and
USDA cooperating. The leaders
pass on what they learn to club
members, who carry out the train-
ing on the home tractors.

Uncle Sam Says

The two symbols of Independence
for 1950 are the Liberty Bell and
U. S. Savings Bonds. They ex-
emplify the Independence Drive
slogan—"Save for YOUR Independ-
ence—Buy U. S. Savings Bonds."
Just as the Liberty Bell symbolizes na-
tional independence, Savings Bonds
spell financial independence. YOUR
government is providing the means
for future financial security by of-
fering a safe, sure and methodical
way of protecting your future
through Savings Bonds. Each pay-
day, from now on, put a slice of
your pay envelope into Savings
Bonds by enrolling for the Payroll
Savings Plan where you work, or if
self-employed, the Bond-a-Month
Plan at your bank.

Senator Byrd, among other
things, would eliminate 250,000
civilian jobs in non-military agen-
cies, lop off another 80,000 civilians
from Military Establishment pay-
rolls, reduce public works outlays
by \$1 billion, and withhold Con-
gressional approval from most of
the 34 new spending programs rec-
ommended by the President in his
1951 Budget.

Senator Douglas' long list of bud-
get-paring proposals includes one
to reduce excessive vacation privi-
leges of Federal employees. Both
senators see large savings oppor-
tunities in the adoption of the
Hoover Commission's recommenda-
tions for consolidating and stream-
lining Government agencies.

Young America, as represented
by some 200,000 newspaperboys, is
a firm believer in the principle of
independence and of a Free De-
mocracy as exemplified by the U. S.
Savings Bonds Drive slogan "Save
For YOUR Independence, Buy U. S.
Savings Bonds," as well as the
Drive symbol, the "Liberty Bell."
These newspaperboys will again
demonstrate their desire for a
strong America by distributing
15,000,000 Savings Bonds folders
right to your door, during the In-
dependence Drive May 15-July 4.
The folders will show you how to
become financially independent
through the regular, automatic way
of saving by investing a portion
of your income in Savings Bonds.
