### HEALTH DEPT. REPORTS ON WORK IN DUPLIN SCHOOLS

The Duplin County Health Department Staff has seen a very busy year. They have rendered many good services to the people of this county.

Among their work, the major services were rendered to the school children, some of which are as follows:

(1) 352 children's tonsils and adenoids were removed in the Health Department. 45 patients were removed at Goldsboro due to heart condition, 68 were removed at Dr. O. L. Parker's Tonsil Clinic in Clinton. This made a total of 465 children who had their tonsils or adenoids removed through the Health Department. This required a lot of work on each member of the Staff. Dr. O. L. Parker held clinics each week in the Health Department. He was assisted by Dr. G. V. Gooding and three nurses.

(2) 163 school children were examined for glasses, most of them were in need of glasses and received them through our Health Department.

(3) 456 school children were examined and treated for hookworm.

(4) 9 school children were treated at the Orthopedic Clinic in Goldsboro and Wilmington, through our Health Department.

Many other services were rendered but these were the major ones.

The School Health Program for 1950-51 will permit closer screening for other defects that can be corrected, enabling the child to enjoy a healthier life. Attendance at school will greatly improve, and the child can keep up with classmates and will not have to quit school so early which will make for better citizenship.

### CORRECTION

In the account of the TB meeting the names of some elected board

members were mistakenly left out. We are glad to make the proper correction by adding the following names to the list: Mr. H. A. Parker, Bowden; Mrs. Charles Bennett, Rose Hill; Mr. George Bennett, Warsaw; and Mrs. N. B. Boney, Kenansville.

### 4-H GIRLS VIE FOR HONORS IN DAIRY DEMONSTRATION

June is dairy month. Milk production hits its annual high, and according to the U. S. Dept. of Agriculture, this month may set an all-time high record.

Trying for a record, too, are some 1000 N. C. girls who are thinking up new ways to use the abundant supply of milk. They are participating in the 1950 National 4-H Dairy Foods Demonstration program and will vie for top honors in county as well as state and national competition.

Awards for outstanding performance are provided by the Carnation Company, sponsors of the program. Gold Medals are presented to county winners, while each state winner is given a handsome gold watch. A trip to the National 4-H Club Congress in Chicago next November is in store for eight national champions.

### Maple HDC Meets

The Maple HDC met at its usual time last month with 14 members present in the home of Mrs. Preston Sandlin. Family life, food preservation and education was discussed. Several book reports were given. Miss Hilda Clontz gave an interesting talk on home freezing. Mrs. George Lanier was honored with a surprise stork shower. At the close Mrs. Sandlin served refreshments.

The ice cream cone originated a half century ago at the St. Louis World's Fair.
