New Air-Conditioned Store Attractive Addition To Business Section of Pink Hill

Mr. and Mrs. W. E. Brewer, owners and operators of Brewer Drug Company, Pink Hill's newest business establishment, this week are announcing the formal opening of the drug store for Saturday, July 15th. Many worth-while prizes will be awarded in the late afternoon when name drawing will take place at six o'clock. If you haven't registered be sure and do so.

The new drug store features the Rexall line of drugs and patent medicines. Mrs. Brewer, the former Miss Marsha Hood of Kinston, is a registered pharmacist and will fill your prescriptions. She is the daughter of Mr. and Mrs. Johnny Hood of Kinston of the famous Hood

Drug Store family. The new store is located in the block with the post office in the building formerly occupied by the furniture department of the T. A. Turner and Company. It has been completely remodeled and an up-to-date air conditioning unit has been installed by Belle Oil Company of Pink Hill. The store is complete with new fixtures, equipment and a soda fountain.

Mr. and Mrs. Brewer and Pink Hill welcome you to their town and the new drug store. Read Brewer's and other Pink Hill merchants ads on this and other Pink Hill pages.

Uncle Sam Says

Graduation days are over and the hopes of those leaving school for the last time are flying high. There is one bit of advice your Uncle Sam wants you graduates to remember, and that is—"the only money you'll ever have is the money you are saving right now. Saving part of each pay-check is the ONLY way to save." And one of the best ways to do it is to buy U. S. Savings Bonds through your company's Payroll Savings Plan. Those bonds are backed by the full resources of the Government and will return you \$4 for every \$3 ten years later.
