# Announcing...the Beautiful

# Chrysler Imperial a new car of unrivaled distinction

This is the Chrysler Imperial...new running mate of America's finest car...the great Chrysler Crown Imperial. With the same luxurious interiors—unmatched in automotive history! With built-in value all the way through unrivaled today! With the quality of materials, the workmanship, and engineering that put every Chrysler in a class by itself! From new Clearbac rear window to the soft, satiny butter-finished chrome of interior appointments...this car is excitingly new! Deliberately built as a challenge to all former standards of what a fine car should be...and should do for you! Come take the wheel. Then carefully compare the built-in value with what the others offer.

There's built-in value all the way through without equal... Waterproof Ignition System... Flight Compression Spiffing Engine... Fluid Drive... Full Flow Oil Filter... foam rubber seat backs... a Booster Brake... Chrome Wheel Covers... Nitro Sidewall Tires... many other features that, when available at all, are extra-cost on other cars.

Here is distinction in interior decor unsurpassed in any other car, regardless of price. Aristocratic color harmonies combine exquisite wool broad-cloth fabric, top-grain leathers. Chrome is tasteful butter-finished. Window lifts are electrically operated... arm rests, front and rear, are double-width throughout.
