A Week With Boy Scouts At Camp Tuscarora; Many Activities

At approximately 2 p.m. the opening flag ceremony was held and another camp week at Tuscarora was in the making. Eighty spirited Boy Scouts paraded into the small settlement ready for an exciting week, packed full of fun, work and adventure. Due to a crowded camp, several tent units were established in the central section of the main grounds. The boys from Mt. Olive were placed in the Civitan cabin and the units from Goldsboro were assigned to the Elks tent unit. The Pioneer camp was filled with Scouts from Smithfield. The remaining cabins were composed of mixed units. After the usual swim check and medical exam, the campers assembled in the dining hall for supper. Immediately afterwards an introduction was held. After dismissal, the boys went to bed but due to high spirits, some time elapsed before they went to sleep.

A great deal of the second week was spent on emphasizing outdoor camping. Tents were available to any camper who wanted a night in the open. It was during this period that individuals learned the value of a tent. They learned how to care for them and how to survive rugged weather while living in them. Their life fitted right in with the work of Mr. Jack Smithwick of Smithfield. It so happens that he is pioneering instructor and counselor of cooking and camping Merit Badges. He teaches the boys how to live in doors, the care of camping equipment, the principles of knot tying, the proper way to cook good meals, and many other things that go into making a pleasant camp life. This is undoubtedly one of the most pleasant phases of the life in our Scout camp.

Some of the tent campers weren't quite prepared on Monday afternoon. As a result, they were wet down thoroughly by a brief shower. There tents were not ditched

and when it rained, their gear was thoroughly soaked. This goes to show you that it pays to be well acquainted with the rules of outdoor life.

Getting back into the thick of this week's exciting activities; the staff, which by now is famous for thinking up new games, initiated another new one Tuesday night. The name of this new game is "The Fox and Hounds." Each Patrol donated two boys to be foxes. The foxes were sent to designated places on the camp property unknown to the campers. Each fox was given an article to represent a tail. The remaining boys represented the hounds. They went out to get the tails possessed by the foxes. At the end of the game the Patrol with the most trophies won two watermelons. The foxes proved to be plenty smart as several escaped the vicious claws of the hounds by hiding under canoe racks, between mattresses, and in trees. The Civitan Patrol finally won the watermelons by getting enough trophies to gain 150 points. The Elks tent came in second with 125 points; one trophy behind the Civitans. The game was exciting and tight, down to the final gun.

On Wednesday afternoon, the weekly program known as the Adventure Trail was held. This was an informal contest in which the general knowledge of all the participating Scouts was tested. It included knot tying, races, axeman-ship, first aid, life saving, fire building, and log pulling. After a spirited afternoon during which the boys braved several showers to continue the contest, the Elks tent unit finally won a close decision over the Pioneer Camp with 56 points to 53 for the "Backwooders."

Thursday night the whole camp participated in a rip-roaring challenge night program which is an old tradition in camp. It has been

Clinton Hospital Nears Completion

By DON BRITT
Clinton. — Elaborate plans are being made by the Sampson County Board of Commissioners for the formal dedication of the almost completed Sampson County Memorial Hospital, according to L. A. Hall, Chairman, of Autryville. Date for the dedication ceremony has not been set, pending definite information on the time the hospital will be ready for patients. James M. Devane, Hospital Administrator, has said that indications are the hospital will have all equipment installed and will be ready around the last of September.

The Commissioners, along with Algernon Butler, County Attorney, are arranging a Dedication Day for the hospital, plus the soon-to-be constructed nurses' home and health center. Distinguished speakers, representing the Federal Government, the North Carolina Medical Care Commission, and other organizations who have helped with the project, are being invited to the event. Volunteer workers from the ranks of the county officials have pledged their time and effort toward making the day a success. Various active committees who will work in behalf of Dedication Day will be announced later.

The hospital project represents the largest single construction outlay in Sampson County's history. Total cost of the hospital itself will be approximately \$1,200,000, including all equipment. Bids have recently been let, totaling \$163,000 for the building and equipping of the nurses' home. As for the health center, which will probably be located at the rear of the hospital, bids have not yet been granted.

Thousands of people are expected here for Dedication Day. After the ceremonies are concluded, the hospital will be thrown open for inspection. Trained guides and receptionists will be on hand to show visitors the new building and equipment, considered among the finest in the South.
