Meet America's Savingest "SIX"

IF IT'S LOW purchase price... if it's low fuel consumption... or if it's "stand-up" you're looking for in an engine (plus, of course, outstanding performance) the new Ford "Six" is your power plant! For this lowest-priced Ford engine is economy engineered to bring you savings all three ways. It's quiet engineered, too... "hushed" to whisper while it works.

TRY ITS "MID SHIP" RIDE

One "Test Drive" and you'll know the relaxing comfort of Ford's road-hugging "Mid Ship" Ride... you'll sample the silence of Ford's quiet-engineered "Six" Body... and you'll feel the safety of Ford's 29 1/2" wheelbase.

"Test Drive" the FORD "SIX" today!

IT'S A COMPANION IN QUALITY TO FORD'S SILENT NEW V-8
Yes, "Six" or V-8, you're sure of smooth, silent quality at rock bottom price. Ford's V-8, you know, is the same type of engine that powers America's costliest cars—yet it sells for hundreds lower than most sizes. And Ford's "Six" costs even less.
While colored lines represent extra cost.
