

CALYPSO HAPPENINGS

BUTAN LADIES NIGHT

Calypso Butan Club observed Ladies Night Thursday evening with a chicken salad supper at the lunch room, served by the Ladies Missionary Society of the Baptist Church.

The president, Mr. W. H. Hurdle was master of ceremonies.

At 7 o'clock the 80 members and guests marched into the lunch-room and found their places which was marked with an attractively wrapped gift, each bearing a lady's name. The men sang "Let Me Call You Sweetheart" as they presented their wives a corsage. All then joined in singing "America".

Invocation was given by Mr. Russell Best.

Mr. Paul Grice was Birthday chairman and called the names of each member whose birthday is in the month of September. As they stood for recognition the assembly sang "Happy Birthday".

The club pianist, Henry Korne-gay, Jr. introduced Miss Mary Dell Sutton who sang two numbers "Sweetheart of Sigma Chi," and "Look for the Silver Lining" with Mrs. Leslie Summerlin as accompanist.

The Butan Club is helping sponsor the Boy Scout work here and at this time Mr. H. B. Korne-gay, Sr. gave some reports and information on the essentials of

Scouting.

Mr. B. C. Sellars introduced the speaker of the evening Mr. Lester Gillikin from Goldsboro who gave an interesting talk on "Spiritual Values and Stewardship."

After the meal everyone sang "Good Night Ladies."

The color scheme was yellow and royal blue, which was carried out beautifully in window decorations and floral arrangements.

STREET PAVING

Citizens of the town and surrounding community are happy to see that work has begun paving the streets leading to and from the school building, thus making transportation easier and safer for the school children.

CIRCLES MEET

Presbytern Circles met as follows:

Circle No. 2, Mrs. Allen Broadhurst chairman, met in the home of Mrs. Roy Taylor Tuesday afternoon with Mrs. James Dickson, Bible teacher.

Circle No. 1, Mrs. Needham Sloan chairman, met in the home of Mrs. Phelton Sloan Tuesday evening with Mrs. Needham Sloan assisting hostess. Bible study was presented by Mrs. Needham Sloan and Miss Mabel Lambert. A social hour was

enjoyed at each of the meetings with refreshments.

REUNION

Ninety-seven close relatives and friends of Mr. and Mrs. Daniel Lee Korne-gay met at the home of their daughter Mrs. C. L. Sloan where they are making their home, Sunday, Sept. 3. The day was spent honoring the aged couple. Mr. Korne-gay is 89 years old and Mrs. Korne-gay, the former Rachel Matilda Jones, is 81. They recently celebrated their 61st wedding anniversary.

A picnic dinner with iced tea was served at the noon hour.

This family reunion has been an annual get together for almost 20 years, and is enjoyed by all who attend.

GOOD HEALTH

1. WHY ARE MANY SCHOOLS SO CROWDED?

2. ARE HOSPITAL BILLS TOO HIGH?

3. WHAT IS GERIATRICS?

THE AMERICAN HOSPITAL ASSOCIATION

Answer to Question No. 1:

1. Not only are more children born but many more now live long enough to go to school. The death rate among pre-school children has declined from 20 deaths per 1,000 in 1900 to 1 per 1,000 today. With so many childhood diseases conquered, pediatricians report they spend most of their time supervising the health of well children and thus preventing illness.

Answer to Question No. 2:

2. The American Hospital Association says it costs an average of \$14.33 a day for a general hos-

pital to take care of a patient but the hospital receives \$2.50 a day less than that from patients. Patients are being cured faster, which reduces the bill, and millions now take advantage of voluntary insurance plans such as Blue Cross and others to prepay hospital bills on an insurance basis.

Answer to Question No. 3:

3. It's that division of medicine which has to do with old age and its diseases. Because we now live much longer, more and more doctors are studying the problems of health in old age.

TOBACCO GROWERS

Check NOW for ROOT KNOT DAMAGE

It's easy to find out if nematodes cut into your 1950 profits:

Pull up a few roots in an area that didn't pay so well this year. Look for stunted roots with knots and starved-off feeder roots. If you find roots like that, there are damaging nematodes in your soil and you should fumigate with D-D before the next crop is planted.

D-D KILLS NEMATODES!

Growers in every tobacco area in the South made profitable use of D-D this year. D-D is easy to use, economical and highly effective. Get rid of the soil pests that are choking your profits.

Start with the seed bed: In this area, nematodes are found even in virgin soil. Use D-D in seed beds this fall and in all infested fields next spring.
