Sumner-Sutton Wedding Vows

In a simple but impressive ceremony Miss Anna M. Sutton, daughter of Mr. and Mrs. Percy Sutton of Faison, Rt. 1, and Norwood Wells Sumner, son of Mr. and Mrs. S. M. Sumner of Clinton, were united in marriage at King's Methodist Church on Wednesday evening, September 20 at 8:30 o'clock. The Rev. Dennis Kinlaw, pastor of the church, officiated in the double ring ceremony.

Prior to the ceremony Mrs. Brantly Sutton presented a program of wedding music and Mrs.

Claxton Paie, soloist, sang "O Promise Me," and "The Lord's Prayer."

The church was decorated with ivy and burning tapers on the altar, pulpit and piano with a large vase of white gladioli and chrysanthemums on the table.

Ushers were: Ben Sutton, brother of the bride, and Leo Knowles, brother-in-law of the groom.

The bride wore a blue suit with gray accessories and a corsage of pink rose buds.

Mrs. Sutton, mother of the bride, wore a black crepe dress with black and white accessories and a corsage of white carnations. Mrs. Sumner, mother of the groom, wore a cocoa brown dress with dark brown accessories and a corsage of white carnations.

After a short wedding trip Mr. and Mrs. Sumner will be at home in Clinton.

hour the hostess served ice cream and pound cake.

KORNEGAY H.D.C.

The monthly meeting of the Kornegay HDC was held at the home of Mrs. Louis Gordon on last Thursday afternoon at 2:30. The meeting opened with song and club collect. During business it was decided that the Kornegay club, the John M. Faison, Dobbiaville and Piney Grove clubs would make and donate a United Nations Flag for the Piney Grove School.

Miss Eleanor Southerland gave an interesting and valuable talk on Frozen Foods.

Several visitors from other clubs were present. During the social

FARM FIRE LOSS CAN BE REDUCED

Farm fire losses amounted to \$85,000,000 in 1949.

Reduction of life and property losses caused by fire is the purpose of National Fire Prevention Week, October 8-14. It has been pointed out time after time that all fires start as small fires and most of them could be prevented. Some precautions are: Have a portable type water extinguisher handy. If you have a pressure system, have spigots fitted for hose.

Have proper extinguishers for electrical and flammable liquid fires. Don't use water on that kind of flames. Keep a ladder long enough to reach the highest roof.

To prevent fires, don't smoke in the barn, in bed, or near flammable liquids. Don't overload a wiring system. Don't operate tractor in the barn. Don't store fuel in buildings; store in tanks and put them on a downward slope from buildings.
