

# Maysville Home Dem. Club Wins First Place In County Achievements

The Fall Achievement Day of Duplin County Home Demonstration Clubs was held on October 25 in the Kenansville High School. The President, Mrs. David Williams, presided. The meeting opened with the group singing "The United Nations Hymn". Mrs. J. B. Torrans read the minutes and called the roll of clubs in the county. The La Place Club won the cup for the most miles traveled as figured on the basis of miles for each member at the Achievement Day program.

Mrs. James King gave the report of the treasurer and encouraged all clubs to pay in their share of the expense for the district delegate to Denmark.

Mr. C. O. Whitley, lawyer of Mt. Olive, made a most interesting and informative talk on "United Nations" in which he stated that our only hope for world peace is an international organization. He told of the work which Woodrow Wilson did in trying to get the United States to join the League of Nations to point out the fact that it

was important for the United States to be a member of any world organization and that we were the first country to ratify the United Nations.

Mrs. M. L. Outlaw, of Outlaw's Bridge club made the report for the various clubs in the county and presented awards to the three high scoring clubs as based on the yearly records of meetings and achievements. The Maysville Club won first place, Rose Hill second, and Miller Club won third.

It was interesting to note that the judges of the exhibits came up with the first two prizes going to the two top winners on scores and in the same order. The third place exhibit winner was the Friendly Club. The exhibits were larger and more interesting than in previous years.

Miss Hilda Clontz, Home Agent, announced that 107 persons had been present for each meeting during the past year and that they would receive pins in a few days. She made an encouraging announcement that she had had the best

cooperation during the past year of any year that she had been in the county. She presented reading certificates to twenty members.

Mrs. Mary L. McAllister, District Home Agent, spoke on the fine work the Associated Country Women of the World are doing in helping to promote a better understanding of the various countries of the world. There were five delegates from North Carolina to their conference in Denmark during the summer.

The meeting closed with "A Song of Peace". Then the ladies visited the exhibits and had refreshments in the new Memorial Auditorium.

Bake a feathery yeast batter, studded with fruits and nuts, in a fluted ring mold and you'll have special-occasion coffee cake.

Most grocers have candied citron, candied orange peel, candied cherries, and currants on hand for baking holiday fruit cakes. These special fruits can also be used to give yeast coffee cakes a holiday charm, and delectable holiday flavor, too.

Because of the thrifty enriched flour base, coffee cakes are an average budget sweet, yet guests consider them really special. The English fruit ring in the picture was baked in a fluted mold for its party dress. This fragrant bread may be baked with equal success in a loaf pan, 4 1/2 by 8 1/2 inches.

English fruit ring belongs to the group of yeast coffee cakes which requires no kneading. Thorough beating of the yeast batter results in its lightness and even texture. After baking, highlight with confectioners' sugar icing and garnish with chopped nuts.

**ENGLISH FRUIT RING**  
1 package yeast, compressed or dry  
1/2 cup lukewarm water  
1/2 cup milk  
1/2 cup shortening  
1/2 cup sugar  
1/2 teaspoon salt  
1 egg, beaten  
1 1/2 cups sifted enriched flour  
2 tablespoons chopped citron  
2 tablespoons chopped orange peel  
1/2 cup chopped candied cherries  
1/2 cup raisins  
1/2 cup currants  
1/2 cup chopped nuts  
Confectioners Sugar Icing  
Chopped nuts

Soften yeast in lukewarm water. Scald milk. Add shortening, sugar, and salt. Let cool to lukewarm. Add softened yeast and egg. Mix well. Add flour to make a rather stiff batter. Beat until smooth. Let rise until doubled (about 1 1/2 hours). Stir down, and add citron, orange peel, cherries, raisins, cur-

rants, and chopped nuts. Fill into greased fluted ring pan. Let rise until doubled and puffy (about 1 1/2 hours). Bake in moderate oven (375° F.) about 35 minutes. If desired, ice with confectioners' sugar icing and sprinkle with chopped nuts. Makes 1 fruit ring.

### State College Hints To Home Makers

**BLANKET CARE**  
Treat wool blankets with the

gentle care that precious possessions deserve, textile scientists are saying, with the reminder that the production of wool this year is one of the lowest on record.

Daily airing of blankets is not only good sanitary practice but helps them last longer and hold their fluffy warmth and com-

fort. When a blanket is thrown back loosely so that fresh air reaches both sides, the wool has a chance to get back its natural springiness which makes for warmth. But care should be taken not to throw a blanket over anything sharp.
