

ANNOUNCE

MARRIAGE

Mr. and Mrs. Erastus Dall of Kenansville announce the marriage of their daughter, Doris, to Lloyd E. Staley, son of Mr. and Mrs. G. E. Staley of Greenfield, Ind. on January 18th, 1951.

WOMANS CLUB

The Kenansville Womens Club met Thursday last afternoon at 3:00 in the lodge building. President Mrs. Dan Davis presided assisted by secretary Mrs. P. J. Dobson. During business session a nominating committee was chosen by secret ballot. The committee was composed of Mesdames N. B. Boney, P. J. Dobson and Willard Johnson. After opening words from Mrs. A. T. Outlaw, chairman of the Welfare Dept., Mrs. N. B. Boney introduced the guest speaker, Mrs. Mary Lou Hendrick of Ft. Bragg. Mrs. Hendrick who is Volunteer Special Service worker for the American Red Cross spoke on the Red Cross in general. At the close of the meeting the members of the Welfare Dept. served apple pie a la mode.

BRIDGE CLUB

Mrs. C. B. Guthrie was hostess to her bridge club Tuesday evening of last week. Visitors were Mrs. I. C. Burch and Miss Martha Pickett. After scores were tallied Mrs. J. B. Wallace received high score for members and Mrs. Pickett was high scorer for visitors. At the conclusion of the game the hostess served lemon fluff, nuts and coffee.

GROVE AUXILIARY

The Women of the Church met Monday afternoon with Mrs. Clarence Murphy. Mrs. J. A. Gavin presided. Mrs. Ralph Brown led the devotional. Mrs. V. H. Reynolds had charge of the program. A goodly number attended.

K. K. KLUB MEETS

The Kenansville Kontract Klub met Monday evening with Mrs. Vance Gavin. All members were present. After scores were added Mrs. C. B. Guthrie was presented a gift for high score. After the games the hostess served jello topped with whipped cream, date nut cake, cheese straws and coffee.

Mrs. Garrett Stanfield and children of Greenville were guests of Miss Mary Cooper and Mrs. Davis Farrior last week.

Mrs. L. K. Hamilton, Mrs. Flora Toll and Miss Margaret Green of Fayetteville visited Mr. and Mrs. Joe Wells Monday night.

Prepare For World Day Of Prayer

Christians are urged to prepare for the World Day of Prayer which is to be observed on February 9th. In Kenansville a Prayer hour will be held at the Baptist church at 3:30 p.m. The following notice has been sent here by Mrs. James D. Wyker, Chairman, United States Church Women of the National Council of Churches:

Will you and your Council or Church — initiate a 24-hour vigil of prayer; — urge continuance in prayer all day wherever one is; — make this a day of fasting as well as prayer that through physical hunger we may gain understanding of the world's suffering peoples; — before Feb. 9, write your Congressman (and tell the newspapers) that church women are praying that the minds of our lawmakers may be guided by Divine Wisdom. Time is short — but "with God, all things are possible."

ational groups, and as a preacher in constant demand throughout the country, Dr. Thompson has steadily extended his teaching ministry.

"The Call of Christ and His Church" is the general theme of the Presbyterian Hour during February and March. The series is being presented in cooperation with a nation-wide evangelistic emphasis participated in by all the churches.

The Presbyterian Hour programs are produced in the Protestant Radio Center, located on the campus of Agnes Scott College in Decatur, Ga. The Radio Center is the only inter-denominationally owned and controlled non-profit corporation in this field of America. Music for the programs is presented by the Protestant Fellowship Choir.

The Presbyterian Hour may be heard in this area over Radio Sta-

tion WPTF each Sunday morning at 8:30 o'clock. Dr. Thompson's topic for the broadcast of February 4 will be "God is Love."

The broadcast of Feb. 25 will feature the choir of Austin College in Sherman, Texas. This, a cappella choir, is directed by Dr. Robt. Wayne Bedford.

Dr. Thompson's sermon topics for the remaining weeks in February are:

Feb. 11 — "The Demands of an Infinite Love."

Feb. 18 — "Christ -- an Advantage or a Necessity?"

Feb. 25 — "Four Classes of People -- In Which Do I Belong?"

LEGION POST

Blackburn chairman for Duplin and Judge Claude McCullen chairman for Pender. Winner in the district contest will compete for honors in Division two at Wallace on March 6th. Clifton Knowles of Wallace is chairman of Division Two.

Final awards in the nation wide contest are well worth seeking. The finals will be held on April 16, place to be announced later. Prizes are as follows: first, (national) \$4,000 scholarship; second, third and fourth places will be awarded \$2,500, \$1,000 and \$500 scholarships respectively.

The subject for the oration must be on some phase of the Constitution of the United States which will give emphasis to the attendant duties and obligations of a citizen to our government.

Any high school student wishing to enter the contest should see his high school principal immediately.

resistant varieties is reduced. Since nematodes attack the crop below the ground level, heavy losses are often experienced before the grower learns what his trouble is. Each grower was advised to watch his crop carefully for dwarf plants during the growing season and examine the roots to see just how severe the root knots were. When nematodes become serious in soils, growers can control them by fumigating with D. D. or Dowfume W-40. In order to hold the number of nematodes down, it is recommended that farmers follow a three year crop rotation, using only nematode resistant crops.

Mr. Debrovsky discussed tobacco plant bed insect control, pointing out that one pound of 5 per cent DDT powder per 100 square yards applied soon after seeding and repeated about every 3 weeks would control most plant bed insects such as Midge Larvae, Flea Beetle, Vegetable Weevil, Bud Worms and Cut Worms. To control grub worms on plant beds, he recommended one pound of 1 per cent parathion dust per 100 square yards. If the plant bed is dusted with DDT just prior to pulling plants for transplanting, it will help to control early Flea Beetle and Bud worm attacks in the field.

Parathion is very poisonous, and should be used with precaution. It was stated that it is not recommended to use DDT and Blue Mold control materials, together because with a mixture of these materials a grower will apply too much DDT to his plants, since the blue mold materials are applied twice weekly.

It was stated that it is not recommended to use DDT and Blue Mold control materials, together because with a mixture of these materials a grower will apply too much DDT to his plants, since the blue mold materials are applied twice weekly.

Local Store Has New Owners

Yore Store, opened here in 1949 by Henry M. West, Jr., this week changed ownership. Mr. and Mrs. Wiley Booth of the Dobson Chapel Community purchased the business and took over operation yesterday.

Mr. West was called back into service about three months ago and since that time the business has been operated by his parents Mr. and Mrs. Henry West, Sr.

The business will continue to operate under the name of "Yore Store" and will do a general grocery and market business. It is Kenansville's only self-service store.

Special Notice To Kenansville Lions

All members of the Kenansville Lions Club are notified to be present at the Kenan Memorial Gymnasium on Thursday night, February 8th, at 7:30 o'clock for basketball practice period for the coming big game between the Kenansville Lions and Kenansville FFA boys.

Pete Quinn is urged to take particular notice. Coach Williamson says no absentees will be tolerated and no T V sets will be allowed on practice nights.

Men Of The Church Organization

Lions Roar; Bare Their Fangs; Get Ready To Charge

The Kenansville Lions Club members are getting up their dander in preparation for the big game, the game of the year, come Thursday night, Feb. 15th when they take on the Kenansville FFA boys in the mythical world's Basketball Championship game between members of the Lions Clubs and members of Future Farmers of America. This all-important game will be played in Kenan Memorial Gymnasium here in Kenansville. Admission will be 50 cents for adults and 25 cents for children. Following the game will be a square dance, free to all who attend the game. Late comers who miss the game may purchase tickets to the dance at the above amounts.

Speculation as to the outcome is varying and sportsmen are not staking any odds on either side. Former Sheriff David Williamson is coach of the Kenan Lion players, including stand-outs as Faison McGowan, Pete Quinn, Lacy Weeks, Garland King, Bob Grady, Hubert Phillips, Roy Sitterson, Oliver Stokes, Paul Ingram, Mitchell Allen, Gilbert Alphin, Roscoe Jones, Leo Jackson, Vernon Reynolds, Heinie McKay, Wm. (Pot) Craft, Halley Daughtry, Prof. Z. W. Frazzelle, and others. This group will offer as many as three well trained teams who will go up against the Farmers of Kenansville high school.

All profits, and this array of masculine manhood in shining basketball uniforms plus their reputation as expert basketweavers should bring plenty of it, will be divided between the blind fund of the Lions Club and the FFA group of boys at school. The FFA boys will also operate the concession stand serving hot chocolate, coca colas, peanuts, sandwiches, etc., and receive all profits from such sales.

A good string band will be on hand to make music for the dance with Les Williams and John Ivey Smith calling the figures. This is expected to be the first real all-out square dance held in the local gymnasium. Everyone who wants some real fun should mark this date on their calendar now, Thursday, February 15th.

Mr. and Mrs. Erastus Dall of Kenansville announce the marriage of their daughter, Doris, to Lloyd E. Staley, son of Mr. and Mrs. G. E. Staley of Greenfield, Ind. on January 18th, 1951.

Men Of The Church Organization

Tuesday night about 200 Men of the Church of the Wilmington Presbytery met in St. Andrews-Covenant church in Wilmington for their annual get-together. Vice-President L. B. Huls of Warsaw opened the meeting and presided until President John Diefel of Wallace arrived. Important business attended to was election of officers and adopting a budget for the new year.

L. B. Huls, retiring vice-president and retiring president of the Warsaw group was unanimously elected president. Henry Matthews of Wilmington was named vice-president and Dallas Herring of Rose Hill was re-elected secretary-treasurer.

Prior to the business meeting in the church auditorium, a turkey dinner was served in the men's Bible class rooms. Following the business meeting an address was heard by Clarence S. Johnson, director of the Program of Progress. Mr. Johnson is from St. Louis, Mo., and former executive vice-president of the Purina Mills. He gave up his business to devote the remainder of his life to religious work.

His talk was inspiring and he held his audience almost spellbound. His subject was the Mission of the Church, which is, as he put it, introducing people to Christ. A second point emphasized was introducing people to stewardship. If the church is not going to introduce people to Christ then what is the reason for its existence?, he asked.

Mr. Johnson laid a very vivid and understandable picture before his listeners of what their responsibility in life was. He talked with a business man's language and from his viewpoint.

Wednesday night at 12 o'clock Corporal Brooks of the State Patrol says all patrolmen have been instructed to apprehend any motorist found on the highways without their new plates.

To Designate Warsaw As Bird Sanctuary

A bill to protect the birds in Warsaw was introduced in the State Senate Monday night by Senator Rivera D. Johnson of Duplin.

His measure would designate all of Warsaw as a bird sanctuary and make it unlawful to hunt, kill or trap any birds or molest their nests or eggs.
