Maxwell - Bradsher

Of interest to relatives and friends in Duplin County, where the groom's father was born and grew to manhood, is the marriage of Miss Ione H. Bradsher, daughter of Col. and Mrs. Owen Marshall of Greenville to Mr. Grover Cleveland Maxwell, Jr., son of Mr. and Mrs. Maxwell of Augusta, Ga. The couple met by arrangement of the groom's aunt, Mrs. Rachel Maxwell Moore of Greenville, on a recent trip abroad, and culminated in marriage at the Eighth Street Christian Church in Greenville on Saturday evening, March 17, at eight o'clock.

The couple will make their home in Augusta where the groom is associated with Maxwell Brothers. Mr. Maxwell is a grandson of Mr. Gilbert M. Maxwell, prominent resident of Seven Springs, and it was on his farm just out of Pink Hill in Duplin County, that he reared his family including the father of the groom of Saturday, Mr. Grover C. Maxwell, Sr.

tables were set for play. Club high score prize was won by Mrs. J. M. Jones; second high by Mrs. H. A. Edwards and consolation to Mrs. Helen Turner. Mrs. Floyd Heath received visitor's prize. The hostess served ooca colas and salted nuts during play and at conclusion apple pies was served.

Rupture Shield

EXPERT HERE

E. J. MEINHARDT, widely known expert of Chicago and Michigan will be at the Goldsboro Hotel, Goldsboro, for 2 days Thursday and Friday, March 29th and 30th. Office Hours 11 A. M. to 5 P. M. only. Positively no evening office hours. (25 years successful record—thousands recommending him.)

Scientific research is constantly providing new relief for many afflictions. The Meinhardt Laboratory has now produced the improved Meinhardt Rupture Shield. It stops the Rupture of Hernia from protruding in 10 days on the average case, regardless of the size or location of the Rupture or Hernia and no matter how hard you work or strain. It is also used for many Ruptures which have repeatedly returned after surgical operation or injection treatments.

Caution: If neglected, Rupture may cause weakness, nervousness, constipation, headache, dizziness, pain in back or stomach and dangerous strangulation.

Every man in this vicinity having Rupture is invited to see this Shield during the above stated office hours. There is also no charge for private consultation. If desired, orders may be placed for immediate or future delivery. This demonstration is for men only.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Graveling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 64,587 ton-miles per gallon and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by measuring the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer? There's no better way to be convinced that "You can pay more—but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chances for all cars in each class, regardless of size and weight. Ton-miles are calculated by the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.
