Tested for your walls!
40,000 scrubbing strokes proved the washability of **SPRED SATIN** THE WONDER PAINT
Here's the most brutal test ever made on a wall finish. Even 40,000 scrubbing strokes on a pastel Spred SATIN color failed to change the color... mar the satin texture... or in any way affect its tough, rubber-like film.
Ruggedness is only part of the story. Millions know Spred SATIN as the easiest-working, fastest-drying, finest-looking finish ever made for walls, ceilings, woodwork. Only Spred SATIN has the original synthetic rubber emulsion formula that changed decorating habits everywhere. When you buy this Wonder Paint, you know it will give you a beautiful satin-smooth finish that will wash and wear and wear.
Goes on in half the time.
Covers most surfaces.
No prime coat needed.
No laps or brushmarks.
Dries in 20 minutes.
No offensive or painty odor.
