Duplin County has to pay only 22.6 percent of the total cost of a County hospital. The State will pay 33.4 per cent of the cost, and Federal Funds will pay 44 per cent of the cost. Translating times percentages into dollars and cents, this means that for a 50 bed hos. pital, a Nurses' Home and a Health Center costing a total of \$945,000, the Federal Gov. erament will give the County \$414,920; the State will con-tribute \$314,962; and Duplin County will invest \$213,18. To meet the payments as the functional state of the section that approximately a 9c tax rate will be necessary (on the present valuations) for the first for the function will invest.
