

Chinquapin Chats

BY: VIDA MILLOY

Stop, look and listen! Vain Glory Blossoms—but Never—bears! Pale Zoned mothers tell me lately, who have to watch their "budget" have a sheasty time of it to keep their children who are in school. "Up with the Jones." To those who, things come easy, have no idea how influential, "Plenty" can have on children. It's not always those who have the best advantages, that are the best scholars!

The P.T.A. had the first meeting of the new year last week with a large crowd attending, despite the type of weather we had. The Junior Choir rendered special New Year's program in songs, directed by music teacher, Miss Sutphin,

who has great talent. Little "Jeff" Landed, son of Mr. and Mrs. G. F. Landed representing New Year's 1952, chasing out "Old Father Time" with traditional symbol of the Sythe stamped across his chest—1951 was cloaked in mystery, apparently to avoid reminding us of what it did to us about "high costs of living!" Get what I mean?

Songs and speeches followed by members of the choir and 7th and 8th grade students Bobby Gresham accompanist. A brief movie short presented in connection of March of Dimes. Mrs. Pruitt's room won prize for most parents present. Refreshments were served at close of meeting. Don't forget to be to your

PTA Feb.—first Monday night!

Miss "Tena" Futreal, daughter of Mr. and Mrs. Jim Futreal, left last week for Fayetteville to enter Worth's Business College. She is making her home with her sister, Mrs. Grace Bittle on Taylor Drive.

Mr. and Mrs. Roy Smith and daughter, Janice, just returned from an extended trip and visit with Mr. and Mrs. George Lebon of Wilmington, N. C.

Pic Jeff Futreal left last week for San Diego California to continue his basic training in the Navy, which was clipped off a bit to be home with his parents, Mr. and Mrs. J. F. Futreal, during the holidays.

Miss Gloria Maresady, daughter of Mr. and Mrs. Woodrow Maresady of Mill Swamp has been spending sometime with Miss Nellie Sanderson here.

The most experienced person will admit having been a fool at least one time—but, if we would swarm around the bee hive of knowledge—we need not fear of being stung by ignorance! The after math of spending money before the holidays has left pocket books in this country like a Yo-yo—which has been worn out and holding on to one thread—but, spring always brings relief. IF we can hold out until SPRING! We live only once

Friends of Mrs. Tom Parker are glad to welcome her in our midst again after she has been visiting with her children in different parts of the states.

Mrs. Ida Mae Sanderson has her residence here in Chinquapin recently and the folks here are glad to welcome her while her services here are invaluable, to our younger set in their activities.

You know, a steamboat toots the loudest when it's in a fog! So, the FOG must be thickening on the brains of those speedsters who insist on killing people on the highways. Anyone can have accidents, but less speed can be less dangerous.

The W.M.U. held its first meeting of the new year last week at a business round-table discussion, presumable to line up work for the coming year's activities. Around forty members were present. Three new members joined, including Mrs. Eula Sanderson, who is with

be again now and is expected to renew her church work here again. Pollyanna were voted in again—which gives very to so much curiosity. These meetings meet the Thursday night after the first Sunday in each month.

Mr. and Mrs. David Kilpatrick

and daughter, Beverly, Mr. and Mrs. Henry Sanderson, all of Hogg Hill, visiting with Mr. and Mrs. T. F. Sanderson-Samley—afternoon. Mr. and Mrs. T. G. Huffman and faithful "letter carrier" visited with Mr. and Mrs. R. H. Dall Sunday afternoon.
