## Gertrude Carraway, Duplin Story Feature Writer, Seeking D.A.R. National Office

WASHINGTON — More than 5,000 convention-weary Daughters of the American Revolution packed up their ribbons and badges Saturday and headed for home.

The Daughters ended their 81st Continental Congress with a banquet Friday night after four days of partying, nattering and passing resolutions. They took the pollsters home with them to ponder next year's election of a new D.A.R. president general.

Miss Gertrude S. Carraway, New Bern, N. C., was the first daughter to throw her hat in the ring for the D.A.R.'s highest office. She put herself in the race shortly after the Congress officially adjourned. D.A.R. by-laws prohibit candidates from announcing for the high post before the close of business at the Congress preceding the election.

Miss Carraway, editor of the D.A.R. meeting and a close friend of the present president general, Mrs. James B. Paton, ended a three-year term as a vice-president general yesterday. If elected, she would be the first "miss" to ever hold the D.A.R.'s top post.

The D.A.R. adjourned after passing 44 resolutions ranging from Antarctica to water boundaries and flags to gold bullion. The Daughters heard speeches by a governor, two congressmen, two senators and a staff writer from the Chicago Tribune. They elected eight new national officers.

Miss Carraway is known in Duplin County, especially in Kenansville and Warsaw. She was a feature writer for The Duplin Story both years of its production. Duplin friends are pulling for her.

The large congregation at the Kenansville Baptist church on Sunday, April 20, heard a most thought-provoking sermon delivered by the minister, the Reverend Lauren Sharpe. Using the text from Proverbs about words fitly spoken being like apple of gold, he discussed the importance of a kind word spoken at the right time, our obligation to speak that word of help and cheer when we greet not only our friends but also our enemies. The sermon reminded us of a quotation from Emerson, "The music that can deepest reach, and cure all ill is cordial speech." The blue-robed choir led the music.
