Keep Cool
If you want to cool a pitcher or other container of hot liquid quickly, place a saucer of ice on top. The hot air rises and the cold air falls.

Safety Hint
If you are going up a ladder, be sure that the base posts rest a distance from the wall equal to one quarter of the height of the ladder... the top won't swing back then.

Ferguson Suit Against Ford Settled!
On April 9, 1952, the United States District Court for the Southern District of New York entered a final judgement, with the consent of all parties, which ended four years of litigation between Harry Ferguson, Inc. and Ford Motor Company and others. It was ordered and adjudged that:
1. The sum of \$9,250,000, shall be paid to Harry Ferguson, Inc. as royalties on Patents Nos. 1,916,945; 2,116,150; 2,223,002 and 2,498,237.
2. Ford Motor Company shall not manufacture after December 31, 1952, such tractors, and Dearborn Motors Corporation shall not sell any such tractors manufactured after December 31, 1952, as have:
(a) a pump having a valve on its suction side, as for example in the present Ford 8N tractor, arranged to be automatically controlled in accordance with the draft of an implement, or
(b) a pump for a hydraulically operated draft control system for implement control and a power take-off shaft both driven by the lay shaft of the transmission, as for example in the present Ford 8N tractor, or
(c) a coupling mechanism on the upper portion of the center housing of the form employed in Ford 8N tractors and manufactured prior to November 22, 1949; and Ford Motor Company and Dearborn Motors Corporation must affix a notice on any long coupling pipe, manufactured by them, to the effect that the pin is sold only for replacement on 8N tractors made by Ford prior to November 22, 1949. This notice will continue to be affixed until October 25, 1950.
3. The Ford Motor Company and Dearborn Motors Corporation shall have a period of time, expiring not later than December 31, 1952 in which to make those changes.
4. All other claims and counter claims are dismissed and withdrawn on the merits.
A copy of the consent judgement is available to anyone interested in reading it.
This settlement between Harry Ferguson, Inc., and The Ford Motor Company resolves the issues. The inventions in their entirety with which this action was concerned will be found only in the Ferguson Tractor and in the Ferguson System in the future.
especially in the Americas... shall continue to look to Ferguson for fulfillment of all that these inventions it is fitting that farmers all over the world... and contribute to a greater and more prosperous agriculture. Better implements, better farming practices, more abundant production, and lower farming costs have resulted from the Ferguson System as employed in the Ferguson Tractor.
Now, indeed, the Ferguson with the one and only complete Ferguson System is the tractor that meets more of the needs of more of the farmers more of the time. This can be proved to you at a demonstration on your own farm. Such a demonstration can be quickly arranged by telephone. Won't you call us about it?
