

Chinquapin Church

BY: VIDA MILLOY

Begin news has really been a lot lately since it's been again time to go swimming already and local beaches beginning to swarm with the sunbathers and etc.—swimming and having a good time, well, it was never that the 'good old days.' Learn and drive while you are for you surely can't do it die!

Did you know I had news of importance recently that didn't get in your favorite column? It was the recent visit of Mrs. W. B. Ward, who now is making her home with her daughter in Connecticut, with Mr. Johnny Hollingsworth and Mrs. and Mrs. Frank Parker where they served a nice Shad dinner; also, Mrs. Eunice Patrick and Mrs. Josephine Powell of out of town. Also Mr. and Mrs. Harry Carter

of Charlotte and Mars Hill visited with Mr. and Mrs. A. L. Sanderson recently.

Are you saving up for old age? If you are—be sure to lay up a few pleasant thoughts. It's said, no ones heart aches while they comfort another one. A noble nature is freedom from envy—it's difficult to acquire the habit of living for a day—but to be happy—there should not be too much concern about tomorrow—only be so thankful we have the opportunity to serve God and our country and fellowmen as we can go only in one direction at a time. Remember, neglect kills injuries—revenge increases them.

Were you out to the Baptist church last Sunday? If you were not you missed a good sermon by one of our young men of our community, Norman Aycock, who is a student at Wake Forest and filled the pulpit at our regular church service for the Rev. N. E. Gresham who is on a mission at Miami, Fla. Mrs. A. F. Catlin returned last week from Bethesda, Md., where she visited her husband who is in the hospital there. Mr. Gatlin is mending rapidly from injuries suffered in an accident and is expected to spend a few weeks here with his family soon. Mrs. R. W. Treharne Jr., and son Ricky, of Pittsburgh, Pennsylvania, Mrs. Gatlin's sister met her in Washington, D. C.

and is spending several days with her and her mother Mrs. Vida M. Milloy.

Happy birthday to Mrs. Eula Sanderson who celebrated her 77 birthday last Sunday with a host of her friends and children with a big dinner served on the lawn of Mr. and Mrs. T. F. Sanderson's home. A big cake decorated the table cooked each year by Mrs. Ethel Sanderson who is known for her cake making—lots of gifts were received, a long distant call from her daughter Mrs. Doctor Robertson of New Smyrna Beach, Fla., at noon, moving pictures taken to be shown later of all the family, which should turn out to be comical as well as pleasant to see. Out of town visitors were Mr. and Mrs. Harris of Wilmington, Mr. and Mrs. Bryant Hall of Kinston, Mr. and Mrs. H. Crews of Pleasant Hill, Mr. and Mrs. Haywood Forrest of Kinston, Mr. and Mrs. Haywood Hall of Angler. Mrs. Sanderson seems to be in the best of health and here's hoping she will enjoy many many more pleasant years here to enjoy these events.

Friends of Mrs. Hazel Dall who is seriously ill in a Kinston hospital regret to know she is still on the critical list there.

Another tragic news report is that of the recent death of Mrs. Earl Baysden of Richlands who is reported to have been found dead in a car near Carolina Beach last Sunday. Sympathy for all the family and friends is understood. The trip to Washington, D. C. will end another year of school activities here for another year—how quiet it seems about and around the school house!

Mrs. Hazel Kennedy who has been visiting her sister in Raleigh has returned home and seems much improved and is looking well from her long visit. If she is just as happy as she looks—we hope she is.

Where is everybody going fishing these days? We can see so many people going fishing, but seldom ever see any fish—unless we visit Mr. Ora Register's shop. What do people do with them?

We certainly do miss the 'misses June and Joan Sanderson these days. But one will just have to visit the Sanderson's Cafe in Wallace to see them. I guess, I'll be seeing you there girls.

Mr. and Mrs. Marvin Beal of Wilmington spent the week end in Chinquapin. The big birthday dinner of Mrs. Sanderson and visiting relatives.

Friends of Mrs. Fennell Lanier are glad to hear she is rapidly improving after an unpleasant operation in James Walker Hospital recently.

Mrs. Batts also has been a patient in the hospital recently and is reported to be mending.

ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!

With its 180 HP V-8 engine, on 125 1/2 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that makes driving a new experience.

Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, even on non-pre-

mium fuel, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay younger on the way!

And with Chrysler full-time Power Steering*, you steer with one-fifth the usual effort... drive with less than the usual control! With Power Brakes you need up to two-thirds less foot pressure... and still stop in many feet less than other cars can do.

You behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean!

*NOTE: Power Steering standard on Crown Imperial. Available, also, on any new Chrysler.
