## Social Security Administration Paying \$7,631 to 315 Duplin People Each Month

The social security family insurance of nearly 62 million workers is protected by the safe investment of over 15 billion dollars in Government bonds, according to N. A. Averá, manager of the Wilmington office of the Social Security Administration. This trust fund provides a safe reserve for the future benefits which will become payable to workers and their families. It represents a substantial investment through taxes by the workers and their employers and belongs to them. It cannot be used except for the administration of the insurance program and the payment of benefits under this system.

## Lt. John Dupree Back In Korea

WITH THE 25TH INFANTRY DIV. IN KOREA—Second Lt. John L. Dupree, Fountain, N. C., recently returned to the 25th Division in Korea after a five-day rest and recuperation leave in Japan. He and hundreds of soldiers from the finest hotels in Japan and enjoyed many luxuries unobtainable in Korea. The leaves are part of the Army's policy to give the fighting soldier a rest from the rigors of combat.

Lieutenant Dupree is a platoon leader in Battery B of the 21st Antiaircraft Artillery Automatic Weapons Battalion.

family if he retires after age 65. As the basic family security program it has a very important part to play in welfare of the nation and the community. The influence of this program, according to N. A. Averá is not only economic (through benefit payments), but it is also very important to health, welfare, and education. "It strengthens and protects the security of the family and thereby strengthens the community," Mr. Averá said. The importance of the old-age and survivors insurance as a family insurance is illustrated by the following benefit figures furnished by the Social Security Administration.  
Monthly benefits being paid in Duplin County on Dec. 31, 1951 were as follows:  
(The first figures show the number and the second figures show the Amount.)
