## THE GREATEST SHOW ON EARTH

Cornel Wilde and Betty Hutton enact a moving romance in Cecil B. DeMille's 'The Greatest Show on Earth', Paramount release in Technicolor at the Capital Theatre in Kenansville Saturday, Monday, Tuesday and Wednesday of next week. Charlton Heston, James Stewart, Dorothy Lamour and Gloria Grahame are also starred in DeMille's best and highest film epic.

will have to talk to our boys and speed them up. Penderlea plays here in Rose Hill Tuesday night. The Senglers are working hard on their annual. The Delmar Co. sent a man down Wednesday to take pictures. He did a very good job. We think him very much for doing this for our school.

The Juniors are still working on their play 'Apartment 13'. They are going to give it the 5th of December. They cordially invite everyone to come.

There was quite a bit of excitement around Rose Hill last night when Betty Hutton and Cornel Wilde all got married. They were fixed their cars. Hope they aren't still dragging the cans behind it. I heard a few boys say Carolyn sure looked cute in that red evening dress. They said she was just as good as her sister (the bride). Maybe she will be a bride some day and you boys better not forget what you said.

Now for a bit about our teenagers.

I hear Kitty and Elizabeth passed French this month. I know that was a surprise to them.

I hear Betty, Paula and Marilyn quit chemistry, but gee it seems they went back to class two days after they quit. I wonder why? It wasn't their idea.

Gee it seems nice to have our sister friend, K. W. Casteen home for a few days.

It's nice to hear from our friend in Germany, Frank Quinn. We miss him a lot and want him to hurry and come home. His gang seems lost without him.

It sure seems nice to get a few days vacation from school. Hope everybody enjoys their few days, because we surely are.

Be seeing you.
