ville has begun work on construction of a new modern Standard Service station. It will be built on the site of the present station. The old station will continue in operation until the new one is completed. Mr. McLendon says it will be one of the most attractive and up-to-date service stations in Duplin County. Mr. Williamson says his customers can expect the same efficient service during the period of construction as here before. He says don't let the looks of construction scare you away, I'll be on the job ready for your usual service.

share on common. The stock dividend will give share of common stock for every 2* shares of common stock held on the record date, and on multiples of less than 2* shares, fractional scrip will be issued. This may be used in the purchase of stock until December 31, 1953, or be sold for cash.

Although the special dividend require no cash outlay by the company it will mean that in the future CP&L's common stockholders will get five per cent more dividends.

The dividends were declared at a regular session of the company's directors, who also approved a tentative construction budget of \$24,000,000 for the coming calendar year.

The latest preferred dividends is payable January 2, 1953 to record December 17, 1952. The regular common stock dividends is payable February 2, 1953 to shareholders of record January 9, 1953. The extra stock dividend will be paid March 2, 1953, to shareholders of record January 9, 1953.
