Pink Hill Future Farmers of America team captured the Southwood Federation parliamentary procedure contest staged Tuesday afternoon at Southwood School.

Under the direction of Advisor John E. Johnson, the five-man team won the right to represent the federation in the district event late in April. If it wins there it will be entered in the State contest.

Jones County won second place, while Pamlico County and Deep Run tied for third. Vanceboro was fifth.

Making up the Pink Hill team were President Roger Post Hill, Vice President Kenneth Howard, Treasurer Franklin Tyndall, Secretary Kenneth Tyndall and Reporter Linwood Stroud.

Despite its domination of the federation, the Pink Hill team has never won the State title, although it placed third one year. Serving as judges, were R. J.

## JAMES MILES GETS DIPLOMA

Mr. James Miles of the Belle Oil Co. of Pink Hill recently received a diploma from the Coleman Heating and Air Conditioning Company following the completion of a course taken at their plant in Wichita, Kansas.

Mr. Miles was elected among the 40 dealers in this district, for an expense free trip there. The diploma was presented by Mr. Coleman himself, president of the company, who is 84 years old, and very active. The company had its humble beginning in the manufacture of the Coleman lantern, and has grown by leaps and bounds. Mr. Miles made the trip by air via Norfolk, Washington, D. C., and Chicago. He stopped at the Broadview Hotel while in Wichita.

## JOINS HUSBAND IN ILLINOIS

Mrs. Bill Zack Williams left early Tuesday for Rantoul, Ill., to be with her husband, who is receiving training in the Air Force at Chauteau Field, nearby. Mrs. Williams was before her recent marriage Miss Shelby Jean Kornegay of Pink Hill, route 1.

## Need Help To Build U.S. Olympic Squad

High Point, N. C., Feb. 27—Funds are urgently needed by the Amateur Athletic Union to help develop outstanding athletes to represent the United States in the 1956 Olympic games scheduled to be held in Australia. Louis J. Fisher, of High Point, president of the Carolina AAU, declared today.

Unless public-spirited citizens chip in, he said, the AAU will face drastic curtailment of its amateur sports program which now is reaching millions of boys and girls.

The AAU has taken the lead in developing outstanding representation for the United States in the Olympic games in conjunction with other sports groups. Since 1899, when the Olympics were revived, AAU has carried the burden of raising funds necessary for the participation of American athletes, and conducts Olympic try-outs for the selection of the most capable competitors.

The AAU now is conducting a nationwide campaign for funds, with the modest goal of only \$500,000. Fisher expressed hope that sports-lovers of North and South Carolina would do their part.

Contributions may be sent to Fisher at Post Office Box 1846 in High Point, with checks made payable to the Amateur Athletic Union. All contributions will be officially acknowledged by AAU. Contributions have been approved as deductible in Federal income tax returns.

Half of the money contributed in the Carolinas will be used in the two states; the other half will go to the national AAU.

In addition to helping develop Olympic athletes, funds contributed to AAU will be used to continue and expand the Junior Olympics program in which a half million boys and girls competed last year as part of the AAU's program to combat juvenile delinquency. Part of the money also will be used to enlarge the AAU's physical fitness program instituted after World War II because of the alarming numbers of American draftees rejected for physical reasons.

The AAU is a nation organization of sports-lovers who work voluntarily to promote and encourage amateur sports and physical fitness programs throughout the United States. It is the largest and strongest amateur-sports governing body in the world, with a program reaching 8,000,000 people.

## Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

**The Difference in NATURAL CHILEAN NITRATE makes a DIFFERENCE to you!**

One difference between Natural Chilean Nitrate and other nitrogen fertilizers is quality—natural quality. It is the world's only natural source of nitrate nitrogen.

The nitrogen content of Chilean Nitrate is 100% nitrate nitrogen—100% available—100% fast-acting—100% dependable.

No antidote is necessary. Chilean Nitrate is non-acid forming.

Rich in sodium and minor elements, Chilean Nitrate is rich in beneficial sodium that makes a stronger, deeper root system—improves crop health, vigor and nutritive value. It also contains small quantities of essential minor elements.

Noted for all-round efficiency, Quick-acting 100% nitrate nitrogen makes rapid, sturdy growth. Its 26% sodium content acts like potash when necessary and helps to increase the supply of available phosphate in the soil.

Chilean Nitrate's free flowing pellets guarantee rapid, accurate distribution under all conditions. No special precautions needed.

Helps maintain productivity of your land. When used consistently in a sound farming program, Chilean Nitrate builds up fertility, increases efficiency.

Your other year, Natural Chilean Nitrate increases yields—improves quality—defends against insect injury—combats soil acidity. Use Chilean Nitrate for solid satisfaction!

## 1953 Chevrolet

4 powerful reasons why you get more of what you want...

- more engine power** - Advanced Loadmaster engine—standard on 5000, 6000 Series and forward-control models, optional on 4000 Series heavy-duty trucks.
- more staying power** - Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.
- more braking power** - Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.
- more economy** - New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.
