Warsaw Tigers Score Third Win Of Season Over Wallace Juniors

In a wild and woolly game at Warsaw the Post 127 Junior Tigers scored their third win of the season over Wallace's Juniors to bring their record to three wins and three losses. Although Jiggs Harris threw three wild pitches, hit two batters, and issued seven free passes he managed to overcome his own wildness and his teammates errors behind him to pitch three hit balls while receiving credit for 15 strikeouts. Up until the seventh inning Harris had given up only 1 hit, 4 walks, 1 wild pitch and had sent 10 men down swinging. Wallace had scored 2 runs in the 1st inning on a walk, 2 errors, and a fielder's choice along with a WP and a stolen base, and they had scored 1 run in the 5th inning on a walk and Wallace's only extra base blow of the game which was a double by Pitcher Charles Thompson. By no means to ridicule him because he was really trying too hard but 6 of Warsaw's 8 errors were made by rookie catcher Jam Brock while Wallace's 12 errors were well distributed among their players. These last two weeks of the regular season are vital to the Post 127 Juniors if they are to overcome Wilmington's big lead in the League and they must defeat the Wilmington Team in the last three games with them to overcome their lead. Post 127 has only two of their remaining 8 games at home with the first one coming up against Wallace on Thursday night, July 2nd, and this heavy on the road schedule makes the Junior Tiger's task more difficult so they need the local fans support fady on these last two home games. Come on out folks and give your support to a fine bunch of boys who never have quit trying and although they have been defeated by Wilmington three times they enter each contest with renewed determination and those who have seen them can testify that there have been some good games in the local park. Following is the box on the Post 127 vs. Wallace game at Warsaw June 26:

Feeder Calf Sales To Be Held Sept. 21 - 22

Feeder calf sales have been planned for all sections of North Carolina for beef cattle farmers who will have calves for sale this fall. The Beef Cattle Specialist from State College have assisted in the plans and the schedules for these sales. We feel that these organized sales is a good way for farmers who have good beef calves to sell them. Two hundred or more calves are expected to be entered in each of these sales and this number of calves should attract a large number of buyers from a large area. Farmers who would like to enter calves in one of these sales should start getting them ready now, and should notify the County Agent in the county in which they live the number of calves they would enter in the sale not later than September 1.

Following are the rules for the Goldsboro and Burgaw Cooperative Feeder Calf Sales. To be held at Goldsboro, North Carolina Monday, September 21, 1953. The pathetic part about it is that some college students find that the final exams are final. Before you cast your vote consider what a man has been—not what he promises to be.

Many people profit from their experiences—converting past failures into present successes.

The world would be better off if it had an elevated railway on which to run its trains of thoughts.

No man ever had to stop climbing the ladder of success for lack of another rung above him.

The sentry box in front of Buckingham Palace gets a new coat of paint for the occasion. The stern guardsman did not turn to watch.
