Magnolia News

Carlton's pond that night. Mrs. John R. Croom and Mrs. John D. Hunt made a business trip to Goldsboro Monday.

Mrs. Annabel Barden is spending a few weeks with her daughter, Mrs. Bill Michael, and family in Durham.

Mrs. and Mrs. Jack Wells have moved to Wallace.

Marion Sidberry and Jim West of Maryland and Washington spent the weekend with Mr. and Mrs. John R. Croom.

Richard Croom and Miss Betty Horne spent a few days at the beach recently.

Mrs. L. E. Pope is spending two weeks at Carolina Beach with her daughter, Mrs. James E. Jones, and family of New Bern.

Miss Louise Croom recently visited Dr. and Mrs. S. B. Hunter, Jr. and children in Kenly and her sister, Mrs. Mary Thorne, in Farmville.

Garland Brown, U. S. Airborne Div., returned to camp on Friday after spending his leave with his parents, Mr. and Mrs. Alva Brown.

Mr. and Mrs. O. D. Drew and family of Jacksonville spent Thursday night with Mr. and Mrs. Ellie Pope.

Mr. and Mrs. Emmett Sasser, Mr. Sasser's mother of Goldsboro, and Gary Taylor and Carolyn Sasser spent Sunday at White Lake. Cumy Sasser returned home with them after visiting her aunt, Mrs. Clyde Cooper, and family and other relatives in Raleigh for a week.

Mr. and Mrs. L. R. Boggs and son, Joe, of Kingsport, visited the H. L. Pippins last Tuesday.

Miss Ann Pope spent last week with her aunt, Mrs. Floyd Holloman, in Goldsboro.

Ollie Bradshaw visited his parents, Mr. and Mrs. Sam Bradshaw, during the weekend.

Mr. and Mrs. Patsy Potter visited relatives near Mt. Olive last weekend.

Mr. and Mrs. Joe Jackson of Jarmans Crossroads and Mr. and Mrs. Abbie Smith were dinner guests of Mr. and Mrs. Joseph Rouse Sunday.

Mrs. John D. Hunt, Mrs. N. T. Pickett and Mrs. Abbie Smith carried Fred Pickett to Raleigh Tuesday where he left for the U. S. Army.

Mr. and Mrs. Allen Turner and daughter, Diane, of Bryson City, are spending their vacation with his parents, Mr. and Mrs. L. G. Turner.

On Sunday afternoon Mr. and Mrs. Walter Hinnant of Goldsboro and Mr. and Mrs. Harvey Jones of Dudley visited the Misses Edwards and Mr. Leon Wilson.

Mrs. Jerry Smith and son, Gary, are spending this week with Mrs. Mrs. Ray Chestnut in Wilmington.

Went to Chicago

(Continued from front page) and talked with many tobacco farmers. One told me he knew of Joplin County, that some farmers teach them how to grow and cure bright leaf tobacco. We were in the bright leaf section of...

They told me they do not have the warehouse auction system as we do. The manufacturers buy the tobacco directly from the farms. Also it was interesting to note that only one Negro family lived in the entire county. In religion they are largely Catholic although the Baptists, Methodists, Presbyterians and Wesleyan Methodists, as well as Congregationalists, are plentiful.

At Windsor we registered at the Prince Edward Hotel where we had reservations. Windsor is just across the river from Detroit and in fact is a part of greater Detroit. We spent two nights there, taking in the sights in Windsor and Detroit. We saw the Ford plant and River Rouge, Dearborn, the Mercury factory. On Friday we took in the famous musical, "South Pacific," in Detroit. Attended St. Andrews Presbyterian Church Sunday morning.

Leaving Detroit Sunday afternoon we headed into Indiana and Illinois and on to Chicago. About mid-afternoon we stopped in Clinton, Mich. to eat. Again while the others ate I wandered down the street. (I ate, however.) Clinton is a small town of less than a thousand population. They have a weekly newspaper with average circulation of about a thousand and print six to eight pages per week. The theatre that afternoon was showing a three dimension picture. A few miles out of Clinton we came upon the "Irish Hills" with literally hundreds of small lakes called the "Irish Lakes."

On Wednesday morning at 9:30 the Lions International Parade got under way and North Carolina was really in the show. The parade was said to be the best ever put on by Lions. Sessions of the convention were held at the Chicago Stadium. Feature speakers for the program were Mayor Martin H. Kennedy of Chicago, Governor Wm. C. C. Rife of North Carolina, and...

Mrs. Thigpen Entertains Grandson

Little Ray Thigpen of Fair Bluff was honored last week when his grandmother, Mrs. E. P. Thigpen, entertained with a party on his seventh birthday at her home here.

Games were played on the lawn. Assisting Mrs. Thigpen were Mrs. Larry Kennedy and Mrs. Robert L. Johnson. The white and blue cake was served with ice cream to the 15 guests. Balloons and bubble gum were given for favors.

Honored On Jrd. Birthday

Little Johnny E. Johnson, son of Mr. and Mrs. Robert L. Johnson, was honored on his third birthday with a party. A table spread of blue and white. Inflated balloons decorated the lawn. The hostess served orange and cake to the eight guests.

Pat Norris Celebrates Birthday

Mrs. F. L. Norris entertained Saturday afternoon honoring her daughter, Pat, on her 10th birthday. Games were played on the lawn. A pink and white cake centered the table, open-face sandwiches, pickles, olives, and cold drinks were served to the 12 guests.

Pat received an assortment of gifts. After the refreshments the group were guests of Pat at the theatre.

Birth Announcement

Mr. and Mrs. Wilton Thigpen of Fair Bluff, announce the birth of a son, Walton Angus, Jr., on July 14 in the Lumberton hospital. Mrs. Thigpen is the former Miss Phyllis Strickland of Tabor City.

Personal

Miss Jeanne Thigpen of Richmond, Va., is spending several days with her mother, Mrs. E. P. Thigpen.

Mr. and Mrs. Mel Cantor and Stuart Marx have returned here to reside, following a visit with relatives in New York.

Mr. and Mrs. Walter Holland of Mike, Mrs. Ralph Casey, Dee and Mike of Chapel Hill, Mr. and Mrs. C. H. Pope, C. H. and Ann of Magnolia, Mr. and Mrs. Floyd Holloman and Anne of Goldsboro were Sunday guests of Mrs. J. G. Bostic.

Bo Thomas, USN, Stanley Bratcher, USCG, spent the weekend with their parents here.

Mr. and Mrs. Clifton Quinn and daughter, Jo Anne, of Chapel Hill, are spending several weeks with Mr. and Mrs. J. G. Kennedy and Mr. and Mrs. Leon Quinn.

Mr. and Mrs. D. C. Fussell and daughter, Wanda, of Wilmington, were weekend guests of Mr. and Mrs. Milton Cottle.

Home Work

(Continued from front page) nothing wrong with his I. Q. There has been much wrong with his I. D. Many a student has been referred to as not being college material simply because he has not applied himself and mainly because his parents have not cooperated by having a TIME and PLACE for study.

Today there is much controversy about the advisability of giving any homework at all. A certain man who serves as a college professor in the summer and as a city school superintendent in the winter, made the statement in his classes that he was opposed to homework.

Mr. Earl Fussell and children are visiting Mrs. Fussell's grandmother in West Virginia.

Sgt. and Mrs. Ray Thomas and sons of New Mexico have been visiting Mrs. Lloyd Thomas here and Mrs. Thomas' mother in Warsaw.

Daonne Cottle of the U. S. Army returned home Sunday morning after spending several months in France.

Mr. and Mrs. L. J. Matthews and sons of Winston-Salem are visiting Mr. A. O. Fussell this week.

Personal

Mrs. Charles Hall and children and Mrs. Haman Hall visited the Keller, famous blind woman who is counselor in Bureau of National and International Relations, American Foundation for the Blind, Inc., Lions National president, Edgar M. Elbert; Basil O'Connor, president National Foundation for Infantile Paralysis, and R. B. Anderson, Secretary of the Navy.

The convention came to a roaring end Saturday morning with the election of Stickey and other officers. At 2:30 that afternoon we checked out of the Palmer House and headed southeast across Indiana into Indianapolis where we spent that night.

The rolling plains, some times as far as the eye could see with nothing but corn and a few miles further it would be wheat. Soy beans were growing in what seemed like mile long rows, neatly cultivated. The agricultural area seemed to be full of all kinds of farmers cooperatives. The whole county looked like rural prosperity.

At Indianapolis we saw one of International Harvester's largest plants. As we left Indianapolis Sunday morning we began to roll into the hills, not mountains, but reminding me of the foothills of North Carolina. We continued southeast to Cincinnati and through the city that is the home of the Taft. We came out of Cincinnati along the beautiful Ohio river and for over a hundred miles followed the river through the Ohio Valley.

We crossed the river at one point and went into some small town in Kentucky. It was a large tobacco market and the warehouses reminded me of those in Wilson right much except they were all painted and looked much neater. I don't recall the name of the town. We passed through Portsmouth, Ohio, that advertised itself as the Atomic Energy City. Dupont has a large plant there. From Portsmouth we left the Valley and traveled to Huntington and on to Charleston, W. Va. I failed to say that while in Indiana we left our route long enough at South Bend to drive around Notre Dame University. The Catholics must be mighty selfish about their university for we couldn't even drive into the campus so readily didn't get much of a view of it.

We spent Sunday night in Charleston, W. Va., and headed on early Monday morning for home. We saw White Sulphur Springs where we saw the famous Greenbrier College for girls. Between Charleston and White Sulphur we got a good view of the coal mountains of West Virginia. Sorry we did not have time to go down into one of the mines. For miles out of Charleston it is one coal mine and one industry after another. We drove by the capital of West Virginia on coming out of the city. After leaving the coal region of West Virginia we hit beautiful rolling hills of pasture land with just about every kind of cow grazing. The White Sulphur area appeared to be heavy with dairymen. From there we headed into the Shenandoah Valley and to Roanoke. From Roanoke we drove on to Rocky Mount, Va., Martinsville, Leesville-Spray, Greensboro, Siler City, Sanford and home, arriving in Kenansville at 9:15 o'clock. A check on the speedometer showed we had driven a total of 2,425 miles in 10 states and Canada. It was a great trip but believe it will be another week yet before we are completely rested up. I want to go to Chicago again but not via auto. I'll take the plane next time.

The best time to get printed for the future is while you are still in...

Post Office News

By WILLIAM L. DALEY, NEA Washington Counsel, July 20, 1953.

HOUSE POSTAL RATE HEARINGS MAY CLOSE WITHOUT ALL PUBLISHERS WITNESSES ALLOWED TO TESTIFY.

All groups of mail users, including newspaper publishers, are concerned that the current attempt to rush a postal rate increase bill to the House floor for a vote may result in shelving the applications of a number of witnesses to testify on H. R. 8022. The Post Office Department took an entire week to present their case but indications are that spokesmen for mail users will be cut short or shunted aside in the scramble to report the bill from the Committee before the 1-20th of August. There has been bitter criticism within the House Post Office Committee of Postmaster General Summerfield for having the rate boost measure introduced at such a late date and efforts to "expedite" its enactment with too brief a period for mail postmen to acquaint Congress with their views on various phases of the legislation.

H. R. 8022 raises second-class rates 42 percent above the last two increases of 20 percent authorized in 1951. While the bill, at this time excludes within county circulation from the proposed hike, it has an impact on newspapers with a "cut-out" county subscriptions and on publications located near county borders with mail going across the county line. The Post Office Department estimates the second-class increases will cost publishers another \$20,000,000. The hike would be effective in two steps: October 1, 1953, and July 1, 1954. And the third boost in the 1951 postal rate law would be set ahead to October, 1953, instead of April 1, 1954. During the hearings Rep. John Lesinski, D. of Mich. urged that second-class rates be raised to cover 50 percent of the cost charged against the publication.

The Postmaster General testified that SECOND CLASS RATES WOULD HAVE TO BE RAISED MORE THAN 400 PERCENT TO MAKE THIS CLASSIFICATION SELF-SUSTAINING AT H I S TIME. He also stated that the reliability of the Department's Cost Ascertainment system which has been freely criticized by all classes of mail users as a guide to postal rate making because of its many short-comings. Basing his statements on the cost report, Mr. Summerfield told the House Committee that he would like to pay 80 percent of the cost of handling publishers second-class mail.

Mr. Summerfield has strongly hinted that he is exploring the long-established policy by Congress of granting low rates to publications as recognition of their public interest. This official claims that this acknowledgement of the functioning of newspapers in the public interest "should be reappraised" in the light of new competitive media of communications. He also stated free in county costs the Government \$13,600,000 annually.

Notwithstanding news dispatches indicating the postal rate bill may not be considered at this session, the House Committee is likely to report out a bill and insist on passage by the House itself. PUBLISHERS WANTING TO MAKE KNOWN THEIR VIEWS TO THE COMMITTEE SHOULD WRITE Chairman Reed, House Post Office Committee, House Office Building, Washington, D. C.

NEW POSTAL PROCEDURE REQUIRES PUBLISHERS TO WEIGH PUBLICATIONS WITHOUT AID OR SUPERVISION IN CALCULATING POSTAGE; ALSO CHANGE IN HANDLING UNDELIVERABLE COPIES.

INSTRUCTIONS have been issued to all postmasters, dated July 16, 1953, containing revolutionary changes in methods of collecting postage on second-class matter. The new procedures which are effective immediately discontinue manual weighing of publications by postal employees to ascertain the bulk weight. It is replaced by a routine computing the bulk weight of one issue and must be weighed by publishers at their own offices. (Details may be obtained at the local post office where copies of Form No. 599, Order No. 53267, dated July 1, 1953, is available. A limited number of copies will be distributed by the NEA Chicago office at an early date.)

Until this revision was authorized the physical end or so-called annual weighing of second-class matter was checked by postal employees by utilizing scales at local post offices or designated places to make a publishers mailing room.

According to Post Office Department officials the order simplifies and expedites the weighing and collection of postage on publications. It cuts down the issuance of receipts, they say, and speeds up verification. The official instructions state: "Form 5542 will be carried as a stock form. However, when a publisher is mailing a large quantity of second-class mail, a receipt should be obtained from the post office at the time of mailing."

Mr. Summerfield has strongly hinted that he is exploring the long-established policy by Congress of granting low rates to publications as recognition of their public interest. This official claims that this acknowledgement of the functioning of newspapers in the public interest "should be reappraised" in the light of new competitive media of communications. He also stated free in county costs the Government \$13,600,000 annually.

Notwithstanding news dispatches indicating the postal rate bill may not be considered at this session, the House Committee is likely to report out a bill and insist on passage by the House itself. PUBLISHERS WANTING TO MAKE KNOWN THEIR VIEWS TO THE COMMITTEE SHOULD WRITE Chairman Reed, House Post Office Committee, House Office Building, Washington, D. C.
