Dick Kaleel Coach

Continued From Front Page

Baseball, football, and basketball when he went there in August of 1947. Dick was at E. M. I. for three years and was successful in all sports while there as his teams in football had 22 wins and 9 losses with 1947 the best season as they won 9 and lost only 1. In basketball they had 66 wins against 12 losses with the 1947 their best too as they won 33 and lost only 1 that season. Baseball was the least successful sport at E. M. I. in Dick's three years of coaching although this team had about an even record in wins and losses and it must be remembered that E. M. I. is in the Junior College Conference and meets some very good competition. As mentioned above Dick went back to College at Atlantic Christian to get enough credits for his B. S. Degree in 1950. The following Fall which was 1951 Dick went to Brogden High School to teach Social

Studies and to be Head Coach in Baseball and Basketball. They do not have football at Brogden. While at Brogden Dick had continued success in his Coaching career as his basketball team had a record in the Wayne County Conference for two years at 1951 and 1952 that he was there of 27 wins and only 12 losses and were runners-up to the County Champions in the County Tournament in 1951. His baseball team had an amazing record of 34 wins against 3 losses in the two seasons Dick coached them. An interesting side light is the fact that all three of the losses were to Warsaw High School which team was coached by Dick's former school and team mate at Presbyterian College and the Coach of course was Allen Draughon. Maybe Dick believes in the old saying "If you can't defeat an enemy, join them", because as the title of this story states Dick Kaleel is a very welcome addition to the Warsaw coaching staff this year. Let's all hope his success in coaching will continue at Warsaw because this big 6' 3" fellow who carries 235 lbs. on that big frame is already very popular with the boys. At Warsaw High School Dick is teaching Commerce, History, and Algebra and will be Line Coach in football and Head Coach for the boys' basketball team. Dick is single, girls and is living at his home in Clinton and commuting in his red convertible. During the Summers Dick works on the Produce Market in Faison and this past Summer was the playing Manager of the Mount Olive Semi-pro baseball team.

Mrs. M. M. Thigpen

"Miss Mildred." Many of these same parties were given under her sponsorship in which she took the initiative. Our brides have been able to walk down the aisle with a sense of well-being and secure in the knowledge that everything was taken care of, because "Miss Mildred" had planned and was looking after every detail of the wedding plans. Her magnetic touch in sorrow and joy always has been felt. We have come to rest upon it and have appreciated it greatly.

Mrs. Thigpen is a native of Cedarstone, Ga., and is the daughter of the late Mr. and Mrs. Thomas H. Adams. She attended Alabama State Teachers College in Monticello, Ala., and later completed her training at the Presbyterian Assembly's Training School in Richmond, Va., was connected with the work of Home Missions in the mountains of Virginia. She was called to the Tabo Street Presbyterian Church in Petersburg, Va., where she served as church secretary for some time. Coming to Duplin County to serve at the Home Missions Committee of Wilmington, Presbytery, she later became the wife of Mr. M. M. Thigpen, prominent Duplin farmer and civic leader of Beaulaville. Since the death of her husband in 1931 she has resided at her home in Beaulaville and has continued her service in all areas of work—church and civic.

Mrs. Thigpen is a member of the Beaulaville Presbyterian Church and was the principal of the first Bible School held in that church. She is a past president of the "Women of the Church" and at the present time heads the Junior Department

of the Beaulaville Presbyterian Sunday School and also holds the office of Sunday School treasurer. Her membership has extended to the Home Demonstration Club and the John J. Thomas Chapter of the U. D. C. of which she is a charter member.

We shall miss her but we are happy in the thought that she is going on to a position where her talents for Christian and secular service will be fully used. How can we express it better than in her own words: "I know I shall enjoy the work, and just think of the opportunity for service that I shall have." Said President Presley of Peace College.

Her example through the years has been inspiring, and her magnetic personality has drawn upon us. Many hearts will follow her in prayer and boundless good wishes for a period of service in her new position will go with her from the folks at home.

Family Organizes Annual Reunion

Warsaw, Aug. 31.—A history of the McArthur-Powell family since its year 1761 was given at the first annual family reunion of the descendants of Mary Ann Vann held Sunday at the "Cliffs of the Neuse State Park." The family history was compiled and presented by Superior Court Judge Henry A. Grady of New Bern.

Introducing Judge Grady was Third District Congressman Graham A. Barden of New Bern, who was introduced by Oscar F. McArthur of Clinton, the oldest living descendant bearing the McArthur name.

The youngest descendant of the McArthur's, two months old, the only male descendant of this generation, is John W., son of George J. McArthur, of New Bern. The oldest Powell descendant present was Mrs. Carrie Powell Peale of Warsaw, and the youngest was Wade Strickland III, of Kinston.

A steering committee planned the first meeting and elected officers who presided through the organization of the McArthur-Powell Clan. These officers included: President, Mrs. Ruth Bizzell Warren of Fayetteville; vice president, Mrs. Kathleen Powell Snyder of Warsaw; secretary, Miss Edith Rose of Warsaw.

Brian Williams Family Hold Reunion

The Brian Williams family held their first reunion on August 30, at Lake Tut. A lovely picnic lunch was enjoyed by the following members of the family: Mrs. Ada Williams Turner, Mr. and Mrs. Bryan Turner and Linda Dee Turner of Washington, D. C. Mr. and Mrs. Rose Turner, Seabel and Mary Ann Turner, Mrs. James R. Bradford, Patsy Jo and Ida Beth Bradford of Raleigh, Mr. and Mrs. James F. Knowles of Wilson, Mr. and Mrs. L. Red Cross Bloodmobile To Be In Goldsboro Wednesday, September 9th

The Red Cross Bloodmobile will be in Goldsboro, Wednesday, September 9th, from 10 a. m. to 3:30 p. m. at the Goldsboro Woman's Club. The Goldsboro Civilians Club is sponsoring the visit and the Goldsboro Business and Professional Woman's Club has pledged to have at least 50 donors during the day.

Blood will be collected for Defense—for the ill and wounded service men—and for the processing of gamma globulin. Gamma globulin has been found effective in the prevention and treatment of polio and mass inoculation of children in areas threatened with an epidemic of polio has rested in reduction of the number of cases and in paralysis following the disease. Inoculation of all children under 10 years of age in Montgomery, Ala., in Caldwell County, North Carolina, is believed to have drastically

cut the number of cases of polio. More than one pint of blood is needed to process one dose of gamma globulin but this same pint of blood also furnishes serum for use in defense in treatment of shock, wounds and injuries. The supply of gamma globulin is low and the need for blood is urgent.

It is hoped that the citizens of Duplin County will respond to the emergency and will generously donate blood at the Bloodmobile visit September 9th. All persons between the ages of 18 and 60 are eligible to give. Persons between 18 and 21, unmarried, must have written permission of their parents. A Wayne County physician and volunteer trained nurse are at the Bloodmobile and two Red Cross nurses come from the Red Cross Blood Center in Charlotte.

It takes less than one hour to sign up, have the check-up by doc-

Moderator To Retire At Meet

REV. ALBERT B. MCCLURE, RALEIGH—The Rev. Albert B. McClure, Moderator of the Presbyterian Synod of North Carolina, will preach the retiring moderator's sermon in connection with the Memorial Service to deceased Ministers and Ruling Elders at the First Presbyterian Church, Wilson, September 8. C. V. Caudill, church building consultant of the Synod, will be honored. Mr. Caudill leaves the Synod October 1 to take up similar work for the entire General Assembly. Milton Faust; and the presentation of certificates to families which have established memorials in the permanent loan fund of the Synod.
