Mrs. Pippin Garden Club Hostess

Mrs. H. L. Pippin entertained the Kenansville Garden Club on Friday evening at her home near Magnolia. Also her bridge club of Magnolia were invited guests. Her attractive home said Merry Christmas through-out beginning at her front door, which was attractively decorated as a wrapped Christmas gift. Upon opening the door the members entered into a Christmas wonderland. Each guest brought a Christmas arrangement which she had made and displayed it. The members also brought gifts to be distributed to the old folks home in Kenansville and gifts to be given to the Welfare Department for distribution to children.

After the business meeting, the guests discussed the Christmas arrangements and admired the Christmas tree which had been decorated by the Magnolia Bridge Club. Every ornament on the tree was hand made by the members of the club.

The hostess invited the guest into the dining room where she served star shaped ham biscuit, Christmas tree turkey sandwiches, Russian tea and individual cakes shaped like

snow men, and open face sandwiches.
