**Put The "B" On Spring Plowing...**

Looking for a low-cost farm tractor for fall plowing and to prepare seedbeds for winter pastures and small grain?

The Allis-Chalmers Model B has power to get the job done right... and is priced to save you money.

The Model B handles one 16-inch or two 12-inch moldboard plows, a 2-disc plow, or a 5- or 6-foot tandem disc. And it's thrifty, too... you pay less per pound of pull, get more work per gallon of fuel.

See us about this field-size, year-round tractor. It's big power in a small package... at a price you can't match.
