Mrs. Peterson Joins Home Dem. Club

The D. S. Home Demonstration Club is proud to have Mrs. Berta Peterson, as a member of their club. She is one of the first women to help start Home Demonstration work in Sampson in 1914.

Mrs. Peterson, attended Farmer's Week in Raleigh and at that institute she saw different demonstrations that would help the homes. Then they decided to start a 4-H club in Sampson. Mrs. Peterson, took the job of starting it and enlisted anyone that wanted to be a member. Now Mrs. Peterson says Home Demonstration work includes so many things that we can not value it's worth. Also 4-H Club work.

Mrs. Peterson, feels every community should have a 4-H club, to encourage the coming generations to love country life, and have some project. She feels grown-ups should continue to develop better rural conditions. If each one will work just a little harder we can have a better community in which our young people will be proud of. Mrs. Peterson works hard for the D. S. Club and does Church work.
