Mr. E. F. Golston, Soil Technician of the N. C. Experiment station applied the term to the teams competing for county awards and honors. Taking the 1st place in the contest was the Douglas High School team comprised of James E. Jones and Clemmie Lewis. This team will receive an award for the Page Appliance Company on November 14, and will also represent Duplin County at the Southeastern District Federation at Elizabethtown on June 3. Miss Bessie Beatty, and Charles Chalmers, teacher leaders of Warsaw are the teams' coaches. The Chinquapin and Wallace team won second and third place respectively. Principal J. B. Dafford of Wallace made brief remarks and A. O. Williams presented the second and third place teams with cash awards.
