Negro Home Dems Celebrate Week

The Negro Home Demonstration Clubs of Duplin County celebrated National Home Demonstration Week, with a Mother of the Year Program, held May 1 at the First Baptist Church in Chinquapin.

Mrs. Ada Hudson of the Chinquapin Home Demonstration Club was elected as the Mother of the Year over thirteen candidates.

Mrs. Hudson was selected for the following reasons: (1) That she is a successful mother as evidenced by the character of her children, (2) that she is a religious and spiritual character. Mrs. Hudson has the traits highly regarded in mothers: courage, cheerfulness, patience, affection, kindness, understanding and homemaking ability. She is keenly interested in community and civic work, and is always interested in improving her home and farm.

Mrs. E. F. Wallace of Greensboro was the guest speaker on the program. Mrs. Hannah Kenan of Kenansville presented Mrs. Hudson a gift and a corsage.

Approximately 275 people came out to see Mrs. Hudson honored.

Attend Demonstration

The club women of the Negro Home Demonstration Clubs of Duplin County attended a demonstration for a long time. On Wednesday, April 28th, Miss Kyer, Subject Matter, Specialist of the Extension office in Greensboro held a Slip Cover demonstration.

The women were shown how to select and buy the correct material and the correct colors to be used in the making of slip covers. Miss Kyer let the women actually measure, cut and make the slip cover for a chair in the day-long demonstration. Mrs. Corbett, the Home Agent, asked each person present to teach three other persons how to make slip covers.

used in this way in order to bring the wheat acreage into compliance with the wheat acreage allotment for the farm for 1934. Producers who have planted an acreage of wheat which they wish to use as green manure, cover crop, hay, pasture, or silage, should notify the County ASC Office and designate the acreage on which the practice will be carried out. The practice must then be completed by the June 1 deadline.

Under the wheat marketing quota program, effective for the 1934-35 wheat crop, a farmer with an acreage allotment of more than 15 acres who exceeds his farm wheat acreage allotment in 1934 becomes subject to a marketing penalty on his "excess" production. A farmer with an acreage allotment of 15 acres or less may produce as much as 15 acres of wheat without incurring marketing penalties. In addition any farmer who exceeds his wheat acreage allotment, regardless of size, becomes ineligible for Commodity Credit Corporation price support on his wheat.

May is another month of odd jobs in the yard and garden. This is a good month to plant dahlias. They will grow well in any good, well drained garden soil, either sandy loam or clay loam. Good varieties for North Carolina according to color are: White, The Real Glory, Great Lakes; Red, Cherokee Brave, Edna I., Mattie; Pink, Jersey's Beauty, Victory, Five-Star General, D. Days, Pink Flaamingo; Autumn shades, Jane Cow, Kirsten Flagstad, California Pegeant; Yellow, Prairie Sun, Edgar Guest, Clara Hook; Purple, King Davis, Jean Trimbree; Orange-Red, Arthur Godfrey, Ruffled Giant; Blend, Dixie Winedot.

Plant dahlias at least three feet apart and stake with five feet stakes or they will blow over in our summer storms. Do not fertilize too much at planting time, but apply fertilizer at least once a month during the growing season. Any good garden fertilizer will be satisfactory.

During this month also the narcissi and tulip leaves will begin to turn

State Home Demonstration Agent EXTRA-QUICK LAUNDERING

Some garments, especially rayon prints that run slightly, can be successfully washed if you do everything, including ironing, as fast as possible. Use the regular hand-laundering method with the following changes:

1. Use water that is just barely warm.
2. Wash garment as quickly as possible.
3. Rinse garments twice, as quickly as possible.
4. Use two turkish towels to remove excess water. Put one towel inside the garment, then put the garment on the second towel and roll them up together. Knead slightly then unroll.
5. Iron immediately. It is suggested that you set your ironing board up and start your iron heating to proper temperature for the material before you begin to wash the garment.

AVOID: excessive bleaching, prolonged washing, prolonged wearing, of soiled clothing, over-exposure to sun, wind and rain on clothesline.
