NOTICE OF SERVICE OF PROCESS BY PUBLICATION IN THE SUPERIOR COURT BEFORE THE CLERK

S. P. 2762
NORTH CAROLINA
DUPLIN COUNTY
L. L. DOBSON AND WIFE
CORA DOBSON
-VS-
JOHN ANDERSON THOMAS,
ET ALS

TO: John Anderson Thomas, Ellen Thomas, Martha McArthur White, Nathaniel White, Leander Casey and Louise Casey.

TAKE NOTICE THAT
That a pleading seeking relief has been filed in the above entitled Special Proceeding.
The nature of relief being sought is as follows: The Petitioners are seeking to divide the lands of the late James McArthur, deceased, as set forth and described in the petition in this cause among the respective tenants in common, and said lands being set forth and described in Book 148, page 197 and in Book 148, page 226, of the Duplin County Registry.

Weddings recorded on top quality non-breakable vitilite records. Very reasonable. No expense to you until completed and delivered.
SOUND RECORDING SERVICE

HOG MEN...

Make every minute count!

Just how long the good hog prices will last is anybody's guess. But they are very attractive at present, so hog men who hurry their hogs to market are sure to cash in on the high prices.

Every minute counts! For the last 10 years the high hog price month has been August. Last year's high came in July. There's not much time... get your hogs on an early-to-market program.

Next time you're in town come by our store. We have a program that will help you get your hogs to market in time... help you take advantage of these good prices.

part-by-part proof...

Plymouth

is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

Seat Springs

Plymouth uses coil seat springs for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings

Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

Micronic Oil Filter

Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!
