Hillbilly Hit Parade

The top ten tunes of the week as selected from your cards and letters

- Compiled by NELSON KING and MARTY ROBERTS
- If ya friends and neighbors; this is the last column which will be a joint deal between the two of us, because Marty is on his way for a three week's vacation starting Sunday, May 23, and I (Nelson) will have to carry the load by myself until he gets back on the job. But we'll try to keep you informed as best we can in the meantime... Talking of big business (which nobody particular was) the May 22 issue of Billboard Magazine, in authority for the following figures. Last year (1937) the American public spent some 70 million dollars to be entertained by country and western artists, records and songs. That ain't hay. PROMOTIONS: FARON YOUNG is now a corporal. AURY INMAN is still a private, and has recently moved from Camp Polk, La. to Ft. Riley, Kans. ... BILL MARTIN has announced that the second annual Country Music Fan Club Convention will be held in our own Cincinnati on November 27. We'll be looking for you... Our sympathy to TOMMY WILSON, country deejay at WKDK, Newberry, S. C., on the recent loss of his mother. BIG DEAL coming up. If you'd like to win several hundred dollars just for writing a short letter, be sure to listen to the JAMBOREE and HILLBILLY HIT PARADE. We'll tell you all about it every night... ROY ACUFF's famous "Dunbar Cave" Resort, opened on Mother's Day to run until Labor Day, with square dances every Friday, and a big hillbilly show every Sunday night with all the stars on hand.
- We'll get on now and give you the set-up of tunes, as you asked for them to be played on the WCKY HILLBILLY HIT PARADE for this week. Here's how they lined up:
1. Slowly (1) Webb Pierce
 2. I'll Be There (3) E. Price
 3. I Really Don't Want to Know (5) Eddy Arnold
 4. You Better Not Do That (4) T. Collins
 5. Back Up Buddy (6) Carl Smith
 6. Oh Baby Mine (8) Johnny and Jack
 7. Rose Marie (7) Slim Whitman
 8. Release Me (10) E. Price
 9. My Everything (—) Eddy Arnold
 10. Good Deal Lucille (10) A. Terry
10. Secret Love (7) Slim Whitman
Billboard Mag.'s "Spotlight" Tunes for the week. RAY PRICE with "I Love You So Much I Let You Go" and JIM REEVES, "My Heart-Breaking Heart." Keep an eye on these... they're comers... and that's all I can turn out single handed for this week... It's been fun chatting with you. Keep singing. And until next week in this same paper, and each night on the WCKY JAMBOREE and HILLBILLY HIT PARADE, where we like to gather 'round with all the friends and neighbors.
- So long.
Nelson and Marty

ROSE HILL SENIORS VISIT WASHINGTON

Rose Hill Seniors trip to Washington was a most enjoyable one. Although only seventeen out of twenty eight made the trip, our class was close-knit enough to give Washington a thorough going over. We stopped in Richmond, Va. on the way to Washington and later toured Mt. Vernon. We were all tired when we arrived at Mt. Vernon, but this historical place afforded such interest that we soon forgot our fatigue. After we had seen Mt. Vernon, we went on to the Ebbitt hotel, which is located midway between the White House and the Capitol, and which is in the business and theatrical districts. Needless to say we all welcomed the sight of that hotel.

Get a lot more grain... AT THE TWIST OF A DIAL!

DEARBORN-WOOD BROS. COMBINE

It puts you hours and dollars ahead... every season!
Just imagine! Without struggling with shims or sprockets-without switching belts or pulleys, you can adjust cylinder speed on this combine to meet the slightest change in crop or field conditions. You simply twist a handy control knob on the Dearborn-Wood Bros. Combine to get any cylinder speed from 430 to 1510 r.p.m.
Think what this means in savings of time and money - as well as grain.
You start combining earlier... work later in the day, when a ripe crop calls for extra-fast action by man and machine. And it's just as easy to adjust concave clearance, sieves and wind blast too. Furthermore, you'll like the way you raise and lower the header, adjust the reel to catch "down" grain-without leaving the tractor seat.
Features like these are built into the Dearborn-Wood Bros. Combine. That's why this six-footer acts even bigger inside. That's why you'll be hours and dollars ahead in many ways - for many seasons.
Stop in and see this rugged machine. Whether you choose the P.T.O. or powerful 25 h.p. air-cooled engine model, you'll realize greater profits on every combining job. So join the many satisfied farmers who have done just that already! Ask about our convenient credit terms.
