VOTE

For Candidates

Publicly Committed

To The Following Principles:

- 1. To help make democracy a practical vehicle in which men, women, boys and girls may travel to a fuller realization of a way of life that builds dignity, freedom, security, and Christian-like attitudes in our communities, county and State.
2. To promote Christian citizenship and civic righteousness.
3. To ascertain, assemble, and disseminate scientific facts regarding alcoholic beverages, and the physical, mental, social and moral effects of their use.
4. To prepare, print, publish and distribute letters, circulars, pamphlets, papers, and other printed materials regarding the use of alcoholic beverages, gambling, commercial vice and other evils; to organize and prosecute campaigns and work against all of these evils along educational, legislative and all other lines and with law enforcement officers.
5. To make effective religious and moral influences in the individual communities of Duplin County.
6. To help Christian citizens to recognize the power of the ballot in securing the vote, to use it, and to remember that while voting is important it is quite important to keep in close contact with the processes of government to make the vote effective.
