

J.P. COURT

From May 1 through May 19 the following cases were disposed of in Justice of Peace Court:

Jessie G. Faison, arrested by Patrolman C. C. Hester for being drunk and off his premises and breaking up jail property. Plead guilty, paid property damage and costs.

Herbert Wallace, arrested by

Deputy T. E. Revelle for non-support of his child. Plead under \$100 bond. Waived hearing to June term of County Court.

Vann Hatcher, arrested by Deputy N. D. Boone for leaving a fire burning and letting same escape which burned over 120 acres of wood land and for failure to obtain a burning permit. Defendant plead guilty to charge. Was sentenced to 30 days and to pay \$48.00 to State for fire fighting and pay court cost.

ATTENTION FARMERS!

We Wish To Announce The Appointment Of—
J.M. Edgerton & Son Inc.
Goldsboro, N. C.
AS DEALERS OF:

- Hardie Rain Control Irrigation Couplers, Valves and Fittings.
- Carter Irrigation Pumps.
- I. H. Power Units

HARDIE COUPLERS GIVE YOU MORE IRRIGATION PER DOLLAR OF COST

Only Hardie Rain Control provides a coupler with adequate foot support, positive lock, no-blow-out gaskets, and that is attached without drilling, punching or welding. Slippage and pipe damage are eliminated by two-bolt ring clamp that holds steel hook. Can be coupled or uncoupled from middle of the pipe.

It will pay you to find out how Hardie Rain Control saves you labor, maintenance cost and makes water go further and do more. Hardie Rain Control fits any ground, is readily adjusted to any acreage.

Rain Control Valves Stop Surging And Reduce Flow Resistance

Rain Control Valve design makes all other valves obsolete. Completely eliminates surging. Flow resistance is reduced far below the flow resistance caused by other valves. Rain Control Valves save money on every gallon of water.

Look to us for complete systems, couplers, valves, pipe fittings, and pumps. Let us help you plan your system.

Blue Mold has been found in tobacco fields in all sections of Duplin County in the last few days. All sizes of tobacco have been affected. Damage has varied from light to heavy. In fields where several leaves per stalk have been ruined it may be possible to let a sucker grow near bottom or at top of plant after topping and leave 4 to 6 leaves on sucker. Top tobacco high. Hot weather should stop spread of Blue Mold.

Irish Potato Meeting
A meeting is being held at the Community Building in Mt. Olive today, at 8:00 o'clock p.m. to discuss Production and Marketing of potatoes. All Irish Potato producers and those who may produce potatoes in the future are urged to attend this meeting.

State College Hints

Success In Sewing
Garments must be cut out properly if your sewing is to be successful. Mary Em Lee, extension specialist in clothing at N. C. State College, offers these suggestions: Follow the pattern guide sheet step-by-step. Compare your measurements with those of the pattern.

Place every piece of pattern on true grain of material whether it be true bias or straight. Don't skimp; piece first. Properly pin pattern to fabric. Cut with long even strokes. Carefully mark notches, darts, or other marks. Match plaids and stripes when cutting and sewing garment.

The sewing guide found in commercial patterns will give excellent directions as to fitting the pieces together. Follow it! Learn the sewing terms such as "ease in" and "straight of goods" and "armseye."

Mark all notches, pleats and other details by using tailor tacks, carbon and tracing wheel, tailor's chalk or other means of marking.

Whether you baste all the seams or pin and stitch will be determined by the pattern.

motion Committee meeting, 8:00 p.m. "Green A-Growin'."

All farm men and women are urged to attend all or part of the Farm and Home Week Program. We feel that it will be interesting and helpful to you. If you want more information on Program or Room and Board arrangement, I will be glad to send it to you.

Tamworth Swine Breeders Field Day
On Elmer Daniels Farm on Highway 95, about half way between Rocky Mount and Zebulon. From 10:00 a.m. to 3:00 p.m. June 1, 1954.

BEST GREEN SHIELD BUY... RICE

SAVES YOU MONEY!

Your best buy is GREEN SHIELD RICE. This delicious, quick-cooking rice saves you money every time you serve it!

QUICK COOKING

It's a BUICK! It's a V8! It's only \$2295.00 *

TAKE heart, good friend—you can buy a hit-of-the-year Buick if you can afford any new car.

And we proudly show our price here to prove it.

For this price is the delivered price—the local delivered price—of the new Buick SPECIAL 2-door, 6-passenger Sedan—and it's just a few dollars away from those of the so-called "low-price three"—lower, in fact, than even some models of those very same cars.

But look what this Buick price gets you! It gets you the very look of tomorrow in styling modernity, even to the spectacular new panoramic windshield that seems to outdate everything before it.

It gets you Buick V8 power—highest in

SPECIAL history—plus the economy of new Power-Head Pistons.

It gets you Buick room, Buick luxury, Buick size and structure and solidity—including of course, the famed Million Dollar Ride and a new precision in handling ease.

It gets you, too, solid and deep-down value.

For any way you look at it, you're money ahead with the car that's years-ahead now in looks and line and the lift of its power—and the car that's outselling every other car in America except two of the "low-price three."

Drop in today or the first thing tomorrow—just to try and to drive and to compare a new Buick. We'll let the car prove its points.

DELIVERED LOCALLY
1954 SPECIAL 2-DOOR, 6-PASSENGER SEDAN, MODEL 48D (Illustrated)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice. Even the factory-installed extras you may want are bargains, such as heater & defroster...only \$81.70.

No wonder
Buick Sales are Soaring!
