NELSON KING The top ten tunes of the week as selected from your cards and letters Compiled by NELSON KING and MARTY ROBERTS

HI ya, friends and neighbors; time once again for a few minutes' visit with all you folks who read this column (we hope) and who like to listen to the WCKY HILL. BILLY HIT PARADE and JALI-BOREE. And say - speaking of listening most of you, knew about the contest we ran from the middle of May to the middle of June, asking you to tell us why you liked to listen to us. Well . . . the contest is over, and all the winners have been notified . . . but here's the thing that tickled us. We got nearly sixty thousand letters from folks all over the United States, and a couple of foreign lands, tel-ling us that they listen regularly, and why. We certainly are proud of that record . . . and only wish we could have awarded a prize to EVERYBODY who wrote in Thanks a million . . . and that reminds us of something we'd like to pass on. You know all your country and western artists get iots of requests for pictures of themselves from listeners. They're always tickled to get them too. But bere's a new twist. One time TEN-NESSEE ERNIE FORD, on his iise jockey show, mentioned that he got a lot or requests for pictures and that he would like to ask his listeners to send him pictures of themselves. Know what happened?

What's Cooking? by Patricia Byrd

Charleston in summertime can be no worse for heat than LaGrange these past few weeks. There are always a certain number of parties scheduled, regardless of what the thermometer reads.

Summertime parties can be easily coped with, whether they are inspired gatherings or obligatory onthe-schedule meetings, by whipping up a new ice cream. Charleston Receipts (as they spell

it in Charleston) collected by the Junior League, leads off its ice cream section with a poem that goes like this : The summertime in Charleston Can be a pleasant season.

No need to let the temperature

Water Systems Workshop Held

Mr. L. O. Armstrong, Professor of Agriculture Education, N. C. State College, presided over the two day Water Systems Workshop held in the Vanceboro High School. The precedure for determining the requirements and designing an adequate water system for farmsteads was presented to the thirty-seven (37) Vocational Agriculture Teachers who attended the meeting on July 8 and 9, 1954, Mr. Thos. Duboise V.-Ag. Teacher at Vanceboro High School, was host teacher for the group.

Instruction at the workshop was provided by representatives of Carolina Power & Light Co., Virginia Electric and Power Co., Myers Pump Co., and Dillon Supply Co. Carolina Power and Light Co. was represented by Bob Thompson Those participating from the Virginia Electric and Power Co. were Jim McBrayer and Ralph Breeding. Mr. Norris Fluke represented the Myers Pump Co. and Mr. Hooner Talton represented Dillon Supply Co. Mr. T. B. Elliott and Mr. K. E Stokes, District Supervisors of Vocational Agriculture atetnded the

The Vanceboro center for Voca tional Agriculture Teachers in Pitt, Beaufort, Hyde, Green, Wayne, Lenoir, Craven, Pamilico, Jones, Carteret, and Onslow is one of the twelve (12) centers throughout the state where similar workshops on water systems have been held. Instruction at the other centers was provided by representatives of the major power suppliers and the major pump dealers in the state.

In introducing the workshop, Mr. Armstrong brought out the importance of having running water on our North Carolina farms. He indicated that the automatic water system is of greatest importance in

PROVED BEST BY ATOMIC TEST!

Atomic Radioactive Wear Test **Proves Triple HD Koolmotor Oil** Reduces Ring Wear 2 to 1 Better!

WHAT THIS MEANS TO YOU

Excessive piston ring wear is dangerous to your engine because it steals power and allows crankcase oil to penetrate the combustion chamber, fouling your engine. Many motor oils fail to provide

ADEQUATE protection. That's why the result of the radioactive wear test is so important to you.

ABOUT THIS TEST

Ten top premium oils were subjected to the radioactive wear test. Results proved that Triple HD Koolmotor reduces ring wear 2 to 1 better than the second ranking oil, 5 to 1 better than the average, and 12 to 1 better than the lowesti
