THIS PIG weighed 114 lbs.— A DIFFERENCE OF 86 lbs.

... and they are litter mates! HERE'S WHAT MADE THE DIFFERENCE

Pigs were taken from sows at the Purina Research Farm when 6 weeks old. One bunch got corn, oats and alfalfa meal. The others ate only Purina Pig Startena and water. The Pig Startena-fed bunch averaged 64 pounds per pig heavier than the other bunch. Abundantly fortified with growth boosters, Pig Startena helps pigs make fast growth at low cost.
