**NOTICE**  
 In the Superior Court, State of North Carolina, County of Duplin, Charles G. McKay and wife Willie N. McKay vs. William Ford

William Ford, defendant, will take notice that an action entitled as above has been commenced in the Superior Court of Duplin County, North Carolina by the plaintiffs to secure judgment against him on the grounds of willful abandonment of his minor children, which are now in the custody of the plaintiffs in said action, they being Beatrice Ford and Patricia Ford. Said action is being brought for the purpose of declaring said children abandoned by the defendant and to provide means for their adoption as by law provided.

And the defendant will further take notice that he is required to appear at the office of the Clerk of the Superior Court for Duplin County, in the Courthouse in Kenansville, North Carolina, within thirty days after the 12 day of November 1954 and either answer or demur to the complaint that has been duly filed in said action or the plaintiff will apply to the Court for the relief demanded in said complaint.

This the 8 day of October 1954.

**THE VERDICT IS BEING DELIVERED**

Reports from Hydra-Matic\* GMC owners clinch the all-around superiority of "Hydra-Matic Hauling"

Cut 4 hours off per route time

Easier handling—drivers love it!

NO MAINTENANCE COSTS, WHAT?

**GMC HYDRA-MATIC TRUCKS**

HYDRA-MATIC\* GMC's are rounding out their first two years in service. And the experiences of owners in every field of truck use seem to leave no doubt about this: "Hydra-Matic Hauling" is obsoleting the slower, harder, more costly ways of the manual shift truck!

Hydra-Matic GMC trucks are earning more for professional haulers. They are slashing deeply the costs of delivery operations. They are speeding schedules; saving time, money and trouble for owners in all kinds of businesses. These proved economies are waiting for you in light, medium- and heavy-duty GMC's. Why don't you come in and see what we can do for you?

\*GMC's Truck Hydra-Matic Drive was the first standard on any truck in the world for military vehicles. It is standard on all GMC trucks.
