

Wallace Eleven Holds Warsaw To 6-6 Tie

As has been the custom for the past several years the Wallace Bulldogs scored their best game of the season for the Warsaw Tigers and almost ruined the Tigers' chances of being the Champions of the Class A East Central Conference this year. Now the Tigers can only finish the season with a record of 5 wins and 7 ties if they take their next two opponents over whom they are very highly favored to win. LaGrange can finish their season with a 6 wins and 1 loss record as they have lost only to Warsaw and are highly favored over Mount Olive in their last Conference game. The \$64.00 question at this time with no one seeming to know the answer is whether a 5 wins and 2 ties record or a 6 wins and 1 loss record is the higher in percentage, which is what will decide the conference Champion. At Warsaw this past Friday night, the Wallace Bulldogs were playing their hearts out and the over-anxious Warsaw Tigers just could not seem to take advantage of their scoring chances because that old bogie called fumble seemed to step in too often. The team records or statistics in this game came out very close as was the score with the Tigers gaining 12 first downs to Wallace's 11, with Wallace completing only 3 of 13 passing attempts but gaining 44 yards by passing to the Tigers' only 15 yards on 2 completions of 7 attempts. The Bulldogs outtraced the Tigers by a net of 209 yards to 199 yards also. Wallace made 3 of their 1st downs by passes and 1 by a penalty on Warsaw while the Tigers ground out all 12 of theirs by rushing. Hughie Lewis again led the Tigers' attack as he gained a net of 134 yards in 21 tries for an average of 6.4 yards per try and made 8 of Warsaw's first downs as well as knocking down many of Wallace's passes on defense. Charles Braswell made 2 first downs, scored the Tigers' T. D. on a 1 yard Q. B. sneak, and completed 2 of 6 passing attempts for their 15 yards gained by passing. Jimmy Whaley again did some fine running and also caught 1 pass so this boy has the ability to help his team a lot

in the future. Bobby Lanier also did some good running for the night. Outstanding on defense for the Tigers were Roger Phillips, George West and Wayne Davis. Roger Phillips was a demon on defense all night and literally knocked himself out on two occasions and this in spite of the fact that Roger only weighs 150 lbs. W. C. Tew did himself proud on pass defense as he knocked down many of the Wallace passing attempts. This coming Friday night the Warsaw Tigers journey to Mount Olive to battle the team that could come to life at this late date and knock the Tigers' chances of being Conference Champions for a loop the loop.

Hughie Lewis Leads Warsaw JVS To Victory Over Fayetteville In Warsaw

The Tigers' big full back, Hughie Lewis has been doing some fine running all season but he chose the non-conference game against Fayetteville's junior varsity to really go all out and hang up a record at Warsaw High School for one player's gain in one game. Hughie ran for 34 yards and a T. D. for 20 yards and a T. D., for only 5 yards on 1 rush, and then intercepted a Fayetteville pass and ran 66 yards for a T. D. So he ran a total of 115 yards and scored 3 T. D.'s the first 4 times he had his hands on the ball. Lewis had a total for the night of 172 yards in 12 tries for a 14.4 average per try and he also made 3 first downs and completed 1 pass in 1 attempt for a conversion to go with his 3 T. D.'s. Charles Braswell had his best night of the season in rushing also as he gained a net of 42 yards in 11 tries for an average of 3.8 yards per try, completed 2 of 5 passes for 23 yards, scored 1 T. D. and made 1 conversion and also made 2 first downs by running. Included in Braswell's rushing average were 4 punt returns of 9, 5, 12 and 6 yards. W. C. Tew, who plays R. E. for the Tigers had a very good night also as he caught 1 pass for a conversion and caught 2 other passes for 12 and 17 yards as well as playing a fine game on defense. The Tigers found a new and pleasant surprise in the running of half back Jimmy Whaley who had not played but very little on offense before this game as he ran for 49 yards in 10 tries for an average of 4.9 yards per try. Outstanding on defense for the Tigers in this game was L. G. George West, R. T. Wayne Davis and defensive half back Benny Hobbs but all the Warsaw line played a terrific game to hold the hard running backs of Fayetteville. The Tigers outgained Fayetteville by 299 yards to 141 by rushing although the first downs were even at 7 each with Fayetteville picking up 3 of their first downs by passing. The opponents completed only 5 of 15 passing attempts and had 2 passes intercepted while the Tigers

completed 3 of 8 passes and did not have any intercepted. The Warsaw bench was cleared in the 4th quarter at Coaches Hill Taylor and Dick Kaleel chose to give their reserves and younger players some experience rather than run up the score which was 26 to 6 when the game ended and the Fayetteville A. D. was scored against almost a complete Junior Varsity team for Warsaw.

The writer took a trip to Richmond and the further north we drove the prettier the landscape. The apple trees in Byrd Park, Richmond, were a site to behold. You just wanted to park your car and stroll through the woods.

New Topsail Again

Nature vented its wrath against property owners at New Topsail Beach again this week when a tornado or water spout struck. The roof was torn from the soda shop and insurance adjusters from Hazel were inside. There was no doubt but this was wind and not water damage, it was reported. The new steel pier at Surf City shook and shattered but it withstood the force.

Election Observation

Now that the Democrats have won control of the House of Representatives and possible the Senate and President Eisenhower is considering consulting their wishes, the South thinks the President should unpack the Supreme Court.

Local Boy

The Founder Day edition of the North Carolina State College News is off the press and the picture of a local boy adorns the cover. Brinson Vestal, son of Mr. and Mrs. Ellis Vestal of Kenansville, freshman at State, is pictured with Mr. Sam Young, Raleigh businessman. Vestal was picked from a class of over 1400 to represent them on the cover. Mr. Young entered State College in 1889. The class enrollment is over 26 times as large this year as when Mr. Young entered.

Theatre Closed

Joe Quinn states that Capital Theatre in Kenansville will not operate next week.

Highlights
