O.P. Johnson Elected Veep Of State NCEA

O. P. Johnson, Superintendent of Duplin County Schools has been elected vice-president of the North **Carolina Education Association for**

the 1955-56 fiscal year. Johnson won in the state-wide election out of a field of four outstanding North Carolina educators. He will be officially installed in Asheville, March 26, at the annual NCEA meeting. Other than Johnson, others in the

running for the position were Dr. Leo Jenkins, Dean of Instruction at East Carolina College; L. A. Bruton, superintendent of Whiteville Schools; and Dr. Sam Holton, as-sociated with the University of North Carolina Education Depart-

hnson came to Duplin County in 1935 as Superintendent of County Schools,

Since that time, he has turned the schools of the county from "un-developed schools to a good and modern school system." He has been instrumental in get-

the present It

He has been instrumental in get-ting the Kellogg Foundation to use Duplin County to conduct studies on children, schools and the organ-ization of the school system. During the past few years, the people of Duplin, through John-son's education program, has seen where their children can and could obtain a better education through school consolidation.

At present, a consolidation. At present, a consolidated school is being constructed between Fai-son and Calypso and one is soon to be built between Rose Hill and Wallace.

Vallace. The Negro school system has had many improvements, including con-collidation to assure better instruct-Meetings
