Plan To Attend 'The Patsy' Soon

Friday evening, March 25th at 8 o'clock the Junior Class of Pink Hill High School is giving its annual play, "The Patsy" a three act comedy, by Barry Connors seems to be the choice. The setting of "The Patsy" could

be your own home. Perhaps you will see your family life represented and wonder if you are really like Pop Harrington, played by Kenneth Jones. Pop is a genial traveling salesman who is quite fond of his baby daughter, Patricia, usually known as "The Patsy." The title role of the play is ably presented by Gloria Jean Pierce. Mom Harrington, portrayed by Pauline Summerlin, is a tearful mother devoted to her older daughter Grace, capably played by Janice Harper. Tony Anderson, Grace's friend, is Jackie Perkins. Others in the cast are Billy Caldwell, Jim Tom Spence; Sadie Buchanan, Norma Ray Stroud; Francis Patrick O'Fianerty, Cecil Howard; "Trip" Busby, Paul Hartman. Patsy is at that age to become interested in "Love Lessons." She

Miss Pauline Summerlin plays the part of "Mom" Harrington in the play, "The Patsy" which is being staged in Pink Hill school auditorium Friday night, March 25.

Pink Hill FHA Hold Mother-Daughter Banquet

The Pink Hill High School Future Homemakers of America held its annual banquet in the cafeteria of the school on a recent night. The devotional was given by Norma Ray Stroud and the mothers were welcomed by Janice Harper, president of the chapter. Mrs. G. C. Pierce gave the response. The Emblem service was given by Emogene Williams, Barbara Hill, Washonah Jones, Sue Albritton, Phoebe Murphy, Annie Laura Hill, Estelle Carter and Ludie Mae Turner and was closed by the FHA prayer song. The club history was given by Sandra Broadhurst. A number of musical selections were rendered. Joyce Murphy outlined, "What FFA Means to me," followed by the presentation of Junior Homemakers Degrees. Nine received a key signifying this honor.

Pink Hill FFA Hold Father-Son Banquet

The Pink Hill School Future Farmers of America held its Father-Son banquet in the school cafeteria Friday night, March 18, with approximately 100 persons attending. President Jim Tom Spence called the session to order. Vice President Kenneth Jones extended the welcome to guests and fathers and J. T. Spence responded for parents.

NEW CHEVROLET PICKUPS IN TWO SIZES

Another of Patsy's sayings, "all he wants a stage-but most of us are only stage hands."

The guest speaker was Mr. A. C. Edwards of Hookerton, Greene County State representative. He challenged the young farmers to keep abreast of current farm problems by better and broader education. He urged better and more scientific farming and pointed out that State College gives tangible assets in farm education. Lewis Hill, secretary, reviewed chapter accomplishments for the past year which included the completion of 85 projects from student labor which netted more than \$15,000. Slides of chapter activities during this time were shown by John E. Johnson, agriculture teacher and F.F.A. advisor. Guests were recognized including members of the Pink Hill and Leonor County school boards. The Pledge of Allegiance to the flag closed the ceremony. Patsy think husbands are like messals - you catch them or you don't catch them.

Pink Hill Water Rates Down

Citizens of the town of Pink Hill appreciate the lower rates for water, to go in effect at once. The town, sometime ago, installed a municipal water system and previously the higher rate was necessary to take care of the installation expenses which the operational system was unable to do. Following a meeting of the town aldermen, during the past week, the document of the lower rates was made by Jasper D. Tyndall, Mayor.

Series Meetings Be Held At Church

At 8 p. m. March 22nd, 24th and April 6th, a series of Spiritual Enrichment programs dealing with "Love in the New Testament" will be taught at the Pink Hill Presbyterian Church. It is believed that through these studies all of us will be better followers of Him who came that we may not only live, but live more abundantly. This church has never had this planned program before it is hoped that many will take advantage of it and attend. Really learns too - because she takes lessons! Would you like to see how it's done?
