The budget for Duplin County for 1955-56 fiscal year will be submit-ted to the County Board of Comnissioners the first Monday in May. which is the regular meeting for the Board.

Faison W. McGowen said the bu get is being prepared for submis-sion. Final approval will be made

the first Monday in June. The budget for the 1954 cal year was \$1,539,724.81. Of this mount, \$1,093,814.81 was derived from sources other than taxation on County property. McGowen said the levy necessary

to balance the budget this year was \$496,000.

The outside sources from which money was paid to the County came for the completion of the Hospital, nurses' home, and health center. The tax lowe was \$1.55 per \$100 property valuation. This includes

ed by the citizens of Duplin County to be used in financing the construction of the hospital, nurses' home and health center.

Hearings for the various County agencies will be conducted between the first Monday in May and the first Monday in June.

Livestock Problem

Bill Bryant, vocational agriculture teacher at Seven Springs was one of 10 vocational agriculture in structors in Wayne County to meet recently with Dr. Bill Plummer to discuss Livestock Problems.

It was brought out at the meeting that management of livestock is one her promising to "protect her from her husband when he gets out of prison," for he, according to the Feeding is often inadequate. Dr.

Smith woman "is going to kill you." Plummer points out that in breeding Mrs. Leary gave her \$78 and a wrist watch. The Smith woman is also charged with leaving a motor stock, good and top quality stock hould be used.

Bryant points out that vaccina court without paying the bill. She was picked up in Smithfield tion of livestock is often neglected; thus, causing death in animals where it could have been prevented with proper vaccinations.

Sanitation is another place where livestock farmers fall down,

Dr. Plummer informs that in his description of the Smith woman was stock because of improper housing He says that during cold weather

hogs are not properly sheltered and come down with pneumonia. Often,

By 6 p.m. Sunday afternoon, she had been picked up. She took the farmers lose entire litters of pigs bea.m. and 12 noon, Sunday.

Tobacco Emergency Vote Is Slated Agricultural Stabilization and Conservation county committeemen

from Murphey to Manteo will conduct referendums on allotment crops this year.

H. D. Godfrey, administration officer of the State ASC, asserts that growers of flue cured and burley tobacco, wheat and cotton will be called on to make some vital decisions concerning their crops.

The first of these referendums will be held on burley and a similar situation that is indicated on flue cured tobacco, Congress directed the secretary of agriculture to redetermine this year's burley allotment, providing cuts up to 25 per cent of preliminary allotments established

"Because of this last minute redetermination of burley allotmer growers will be asked to express themselves in a referendum either for 90 per cent price support or for doing away with all support on their 1955 crop," Godfrey said. "Growers will also be voting on whether or not they want acreage allotments to apply in 1955 and whether or not fore the ballots were printed. Finn Lee, D. J. Rivenbark, and they want to be assessed a 75 per cent penalty for overplanting." This Sanford Parker, members of the 75 per cent is that per cent of the average price per pound for tobacco sold last year. Public Law 21 increased this penalty rate on both types of tobacco from 50 per cent.

Godfrey said that because of these elections and because of other developments affecting agriculture. "1955 will really be a year of decision
