**Wishing won't make it so!**

Wish real hard, little lady—no harm in wishing. When a little girl wishes hard enough and long enough, sometimes a wish comes true.

But, for grown-up Resolution time, wishes are not enough... neither are good intentions. An effective RESOLUTION demands determination plus action. It is a personal, singular thing. As such, it relies on individual freedom of choice—not on props or artificial aids. In short, it made our country great.

No government makes itself great and free. Its citizens make it so. It is fitting then, for the New Year ahead, that each of us do more than just "wish" for a free, happy and prosperous America.

Let us resolve to stand more firmly as free citizens — to act more resolutely as free individuals — to remind ourselves constantly that the price of this freedom is eternal vigilance.
