

Home Federal Notes Growth

All its annual meetings held last week, Home Federal Savings and Loan Association in Kinston reported that its assets now amount to \$7,232,122.30 or 25.5 per cent more than they were on December 31, 1954. See this financial statement on another page.

V. V. Beidle, executive vice-president of the association, in releasing the annual report, said that the association's progress continued to be based on serving an increasing number of our citizens, "and serving them well."

"With each passing year," he said, "we serve a growing number of people by providing a safe, convenient and profitable place for their savings, or by granting them loans on a sound basis for the purchase of homes." He also stated that Home Federal Savings hopes to occupy its new home by June and will be able to serve a much larger number of people.

Brittle listed highlights of the institution's 1955 operations as follows:

EXTRA GOOD because it's NATURAL

This is what continual use of acid-forming ammonia nitrogen without lime did to good farm land. Practically no growth. See the difference in the background, where crops regularly got natural Chilean Nitrate of Soda.

CHILEAN NITRATE—WORLD'S ONLY NATURAL NITRATE

A natural fertilizer is an extra good fertilizer. Not just for crops, but also for the land; not only for today, but for the years ahead. And Chilean Nitrate is the only natural combination of nitrate nitrogen, sodium and minor elements.

Natural Chilean works fast. Small grain yields depend upon the supply of available nitrogen when spring growth begins. A Chilean top-dressing supplies life-giving plant food at the moment of greatest need.

Natural Chilean boosts yields. Its nitrogen is 100 per cent nitrate nitrogen, ready for the plant immediately after application. A top-dressing of 300 pounds per acre promotes stooling, rapid development, early maturity.

Natural Chilean fights acidity. Every ton contains sodium equal to 650 pounds of acid-destroying commercial limestone. Sodium substitutes for potash and calcium, increases available phosphate supply.

Natural Chilean benefits crop and soil. It corrects acidity, improves potash, phosphate, calcium, magnesium and minor element availabilities. Chilean Soda is one of the most efficient and economical nitrogen fertilizers for top-dressing and side-dressing. Ask for Bulldog Soda. Look for the Bulldog on the bag.

Polio Mother Of Year Tells Own Story

By Mrs. Iris Tadlock
Life began for me on June 24, 1921. As a toddler, at the age of eighteen months, I was stricken with polio and hospitalized. My type was anterior poliomyelitis, then called by everyone "infantile paralysis". Both of my legs and my back were involved. And my toddling days were over!

At the age of five I underwent extensive leg surgery and was placed in braces and on crutches. Once, when I was six years old, I was set upon by a vicious dog. Since I was on crutches and in braces, I was unable to run from him, or even to walk fast. Things looked very black. Without conscious thought of what I was doing, I turned, dropped my crutches, and fell on my stomach. And then I barked, in my most frightening (and frightened) voice, right in the dog's face. In complete amazement at my antics, the dog turned tail and ran. It seems to me that polio might be likened to that vicious dog. It produces great fear and shock, and though it may force you to lie down you must "bark" right back at it.

At the age of twelve, I was again hospitalized for further rehabilitative care. With the help of a friend I took my first steps without crutches and braces at the age of sixteen. Because of my great desire and with tremendous personal effort, I was able to manage in this manner for a period of ten years. During this very busy ten years, I was graduated from high school, attended business college for two years, married, worked as a file clerk and stenographer for a while, and became a mother. Life seemed to have settled into a very nice and comfortable pattern, and polio seemed an ordinary nuisance to be accepted, slowing me up at times. It is true, but on the whole, something conquered.

But not so! Polio struck me again. My back, which had held its correction so many years, suddenly became so painful and immediate problem. And expensive, too!

As I dealt with this problem and continue to deal with it now, I have been constantly reminded, because of the wonderful help and kind understanding I have received from the National Foundation for Infantile Paralysis, the medical profession, and from just "people" of the words of William Shakespeare: "The quality of mercy is not

Mrs. Iris Tadlock of Wilmington, state winner of the 1956 Polio Mother of the Year Award, receives a big kiss from her seven-year-old son Donald, as he and his brother, Lane, fourteen, leave for school. Mrs. Tadlock was first stricken with polio when she was eighteen months old and took her first step, without crutches and braces, when she was sixteen. Later, as a wife and mother, polio struck her again. Judges for the contest were Georgia Carroll (Mrs. Kay Kyser), Paul Green and Noel Houston, all of Chapel Hill.

strained,
It droppeth as the gentle rain
from heaven
Upon the place beneath. It is
twice blest;
It blesteth him that gives and
him that takes. . . .
My life has been very full—an active and stimulating adventure. Certainly, it is not a "Pollyanna" story.

1. Net savings in 1955 increased by \$1,059,301.01, or 20.5 per cent bringing total savings to \$6,230,323.24.
2. The number of savings account holders increased to 44,000, a gain of approximately 1,000 or 30 per cent over last year.
3. Dividends paid out to savers totaled \$161,243.26.
4. Home loans increased both in number and amount, 325 loans totaling \$2,966,424.96 were made in 1955. Total home loans outstanding now amount to \$6,357,948.97.
5. Reserves now amount to \$265,555.07, or 32.5 per cent more than at the end of 1954.

INGROWN NAIL HURTING YOU?
Immediate Relief!

A few drops of OUTGRO® bring blessed relief from burning pain of ingrown nail. OUTGRO® loosens the skin underneath the nail, allows the nail to be cut and thus prevents further pain and discomfort. OUTGRO® is available at all drug counters.

Weathering, aging and corrosion from chimney smoke cut down the efficiency of your TV antenna.

You can't get rid of a bad temper by losing it.

GETTING UP NIGHTS

If worried by "Bedtime Weaslers" (Getting Up Nights, too frequent, burning or itching urination) or strong, cloudy urine due to common Stasis and bladder irritations, try OXYDEX for quick, gratifying, comforting help. A billion OXYDEX tablets used in past 25 years prove safety and success. Ask druggist for OXYDEX under satisfaction or money-back guarantee.

COLD SUFFERERS

COLD discomforts yield quickly to STANBACK's prescription formula. STANBACK tablets or powders work fast to bring comforting relief from tired, sore, aching muscles, neuralgia and headaches due to colds.

3 Happy People
This Winter Thanks to
3 Big Pluses in
Cities Service Heating Oil!

1. Keeps Burners Cleaner
Provides an even, healthy heat without fouling burner.
2. Keeps Filters, Screens and Nozzles Cleaner
Actually cleans as you heat... retards sediment formation.
3. Anti-Rust Protection
You'll have that storage tank years longer with anti-rust Cities Service Heating Oil.

Whether you're a family of 3, 5, or a dozen, Cities Service Heating Oil will keep you all healthier, happier, and warmer... And probably FOR LESS MONEY! Call today for the full story on Cities Service Heating Oil.

STAR CHIEF TWO-DOOR CATALINA

The car says GO and the price won't stop you!

Puts more Power where it Counts!

THE SECRET OF PONTIAC'S BLAZING GO

IS IN THE TEAMWORK OF TWO ENGINEERING MASTERPIECES

They were born to go together, these two—the mighty Strato-Streak V-8 engine and the revolutionary new Strato-Flight Hydra-Matic* drive.

You can feel the difference... actually feel it. Feel it in the response—quick as the flick of an eyelash. Feel it in the tremendous thrust—oil smooth and effortless. And feel it in that breathtaking, almost unbelievable extra burst for the split-second sprint to safety past slow-moving traffic in your path.

Here is power and go you dream about... but this time it's real, because you're piloting the most modern power combination on the road...

A new engine: the brilliant Strato-Streak V-8 with almost 317 cubic inches of displacement for barrel-chested deep breathing... with a super-

efficient 8.9 to 1 compression ratio to squeeze the last ounce of go out of every drop of gas... with high torque for sizzling take-off... with a blazing 227 horsepower!

A new transmission: an engineering masterpiece specifically designed to utilize the full thrust of that great engine... with gears for instant response and crisp, positive acceleration... and an amazing liquid-link coupling for a silky-smooth flow of power to the rear wheels.

Test drive this fabulous '56 Pontiac tomorrow—we promise you, you're in for a thrill!

And another thrill is waiting for you when you hear the price! See your Pontiac dealer soon—make it a special point to do it—and get ready for two wonderful discoveries!

*An extra-cost option.

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

WHAT 100 NEW INDUSTRIAL WORKERS MEAN TO YOUR COMMUNITY

A recent U. S. Chamber of Commerce study reveals that if your community acquired 100 new industrial workers you would have: 296 more people, 112 more households, 51 more schoolchildren, \$590,000 more personal income per year, \$270,000 more bank deposits, 107 more passenger cars, 174 more workers employed in other businesses, 4 more retail establishments, and \$360,000 more retail sales per year.

Community effort can help in bringing new industry to your town. Last year over 35 finer Carolina communities participated in 50 projects aimed to attract new industry and expand existing industry. Some of these finer Carolina projects already have borne fruit and many others show bright promise.

In addition to usual finer Carolina Grand Prizes in 1956 your own group or club may win a cash award for an outstanding project. Your community needs you to help acquire these 100 new workers. Why not offer your services to your community's 1956 finer Carolina Committee? When you help your town you help yourself.

CAROLINA POWER & LIGHT COMPANY

296 more people

112 more households

51 more school children

\$590,000 more personal income per year

\$270,000 more bank deposits

107 more passenger cars registered

174 more workers employed

4 more retail establishments

\$360,000 more retail sales per year
