Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field . . . with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved\* carburetian system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving,

-Lowest Priced Car with Tri-Power Carburstion!

only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and prontol-the other two carburetors pour out a bonus of go as long as you need ft. Ease up . . . and you're back to the gas-saving economy of one-carburetor operation! In short-your new Pontiac Chieftain can be tame or terrific-at the touch of a toel Try it, and you'll see why they're biting their nails in the low-price field. Check the car . . . check the price . . . and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!
