## Teen-Age Round-Up

BY DOLORES AND BARBARA RAUP

As usual, the week starts off with a meeting of the Senior Class to practice for the graduation exercises which will be held Tuesday, May 14th at 8:00 p.m. in the high school auditorium. They also practiced the music which will be presented on class night and the night of the Baccalaureate Sermon. The music is under the direction of Mr. Robert Craft, Jr.

The Glee Club had its final rehearsal for the High School music recital which will be tonight in the High School Auditorium at 7:30 p.m. Both the Glee Club, and the Band students together with the piano students will take part in the recital. It is under the direction of Mrs. Goldy Alderman, music teacher.

Even though the Science students from BHS didn't win any prize in the 1957 State Science Fair at Raleigh last Thursday and Friday, we were proud of the fine exhibits they displayed for Beulaville High School.

Final exams begin Wednesday, May 8th, everyone had better get down to their last minute cramming but don't forget you can't learn it all in a few nights, if you don't know it by now you never will, but for all those who have been making fairly good grades, a little studying won't hurt at all.

The Seniors received their caps and gowns on Tuesday morning. They are to take them home, and have them pressed for the big event, coming up in just two short weeks.

That's all for this week except for thanking the Junior Class for such a fine banquet, they gave the Seniors on Friday night. It was one of the most beautifully decorated banquets ever given. Thanks again Juniors, and Mrs. Johnson and Mr. Spence, Junior Class advisors.

## YPA Group Visits Skating Rink
