Cattle Banquet Held In Kinston

The Sixth Area Dairy Cattle Annual Banquet was held on August 27, in Kinston, at the J. H. Sampson Elementary School. The speaker, Mr. J. W. Warren, Jr., Assistant Supervisor - Veteran Farm Program, State of N. C. Warren told the young boys and girls that the 4-H and N.F.A. Organizations offer wonderful experiences and opportunities for developing and training youth into good citizens. Warren challenged the young boys and girls to make full use of the opportunities that are available to them. He said, "I know of no other organizations where by young people may receive such vital training as the 4-H and N.F.A. offers."

The counties representing the area Dairy Cattle Banquet were Craven, Duplin, Jones, Lenoir and Wayne. There were approximately forty people from Duplin attending the program. There was an increase in the number of people attending the banquet over previous years. Farm people of this county are becoming more interested in the dairy enterprise of the dairy-men who are making farming more profitable by turning to dairy farming.

Comments of the program were made by J. A. Spaulding, Southeastern District Agent, Spaulding related to the group that each person follows the foot step of some

body else, and young people should try to follow good examples. He said, "The Extension workers and the Vocational Agricultural workers are available in your communities and in your school to help you to become good responsible citizens."

Card of Thanks

Mr. and Mrs. George Ammons, wish to thank the personnel and staff of the Duplin General Hospital, our many friends and relatives for services and kindness shown during the recent hospitalization of my husband, George. Mrs. Iola Ammons

Junior Cattle Show Held Aug. 28

The area Junior Cattle Show was held Wednesday August 28th at the livestock yards south of Kinston with Duplin County boys and girls participating. The area consisted of Lenoir, Duplin, Wayne, Jones and Craven counties.

Fourteen entries representing Duplin counties 4-H clubs and N.F.A. chapters brought home more than a hundred dollars in prizes and awards.

The night preceding the show, the exhibitor and their parents attended a banquet in honor of the exhibitor.

George Mainor, 4-H club member of Magnolia, a blue ribbon winner was excelled only by Ethel Martin of Wayne for the fitting award.

Thomas Ward of the Branch community also won a blue ribbon for his entry. Other boys competing in the show and winning red ribbons were James G. Branch, N.F.A. of Kenansville, Margarite Miller, 4-H member of Kenansville, W. H. Miller (2 entries) and Luther Carlton 4-H of Warsaw.

Falling into the white ribbon group were entries made by J. W. Mainor, Carl Joyner and William Hardy all 4-Hers of Magnolia. Ralph Hall, N.F.A., Charity, Nathan Branch of the Branch community and a second entry by James G. Branch.

The blue ribbon entries will exhibit their animals at the District show at Fayetteville, N. C., September 5-8.

Some 600 people attended the show and heard remarks from leading county officials including: the Chairman of the Board of County Commissioners, Supt. of Schools and President of the Kinston Chamber of Commerce and J. A. Spaulding, Extension District Agent for Southeastern North Carolina. R. R. Rich, Dairy Specialist for the N. C. Extension Service judged the show. The show was directed by R. L. Wynn, Negro Dairy Specialist for the N. C. Extension Service. Charity N.F.A. members traveled by bus to the event, several other N.F.A. Chapters in the 5 counties area attended.

State College Soils Authority To Visit Here Soon

Dr. Samuel S. Tisdale, noted Soils authority of State College, has notified the Negro County Agent's office that he will be able to visit Duplin County on September 12, 1937.

to work with Negro farmers of the County. Arrangements have been made with the E. E. Smith High School officials to use the School auditorium according to R. E. Wilkins and J. H. Harris, Negro County Agents.

Tisdale, a writer and author is head of the Soil Division at State College and head of the Soil Testing Division of the North Carolina Department of Agriculture.

The meeting set for 7:45 p.m. will cover Soil problems; and Soil fertilizers. The meeting should be of vital interest to every Duplin farmer in as much as more fertilizer is used in this State than any other. More recent formulations will offer farmers an opportunity to reduce cost of fertilization for the 1938 crop if properly applied. The agents are urging all farmers to be on hand for this important meeting. Meeting simultaneous will be the Home Demonstration County Council Meeting in another room. Miss Alice C. Luton, Home Demonstration Agent for Duplin County announced that all club officials and project leaders are scheduled to meet to discuss important club business.

WITH OUR BOYS IN SERVICE

CAPT. ROBERT P. HOLMES, III
FORT SAM HOUSTON, TEX. (AH TNC)—Capt. Robert P. Holmes III, whose parents live at 204 Center st., Mount Olive, recently was graduated from the military medical orientation course at the Army Medical Service School, Fort Sam Houston, Tex.

The course designed for newly commissioned officers, stressed medical service in combat.

Captain Holmes is a 1936 graduate of the University of North Carolina Medical School.
