## James Kenan Tigers Down Richlands While Beulaville Holds Wallace-Rose Hill Down

**By JOE COSTIN**  
Tigers Win 19-0 Over Richlands  
The Kenan Central Tigers caught fire in the second period and rolled to a 19-0 East Central Conference victory over a scrappy eleven from Richlands last Friday night in Warsaw.

The first score came on a 32-yard drive after stopping Richlands on the two, Buddy "Scooter" Blanchard took a hand-off from the Tigers' little magician, Quarterback Bill Straughan for the last 25 yards and a TD. Johnny "Wagon Wheel" Godhold kicked the extra point for a 7-0 lead.

Scooter Blanchard scored the Tigers' second touchdown in the late minutes of the second quarter on a 40 yard jaunt following a 44 yard drive.

The final TD came in the fourth period on a 60 yard advance which ended when Gail Henderson scored from six yards out.

Much praise for the victory goes to the Tiger line led by Litch Hule, Bobby Braswell and Drew Grice. This coming Friday night the Tigers travel to LaGrange for what may prove to be one of the outstanding games in the East Central Conference this year. — Let's all go and back the Tigers.

**COMMENDED FOR SERVICE** — These members of the Board of Tri-County Electric Membership Corporation received certificates this week for 16 and 17 years service on the board. Certificates were presented at a meeting at which plans were made for the annual membership meeting in November. R. D. Simmons of Albemarle was named chairman of the nominating committee. Left to right are: L. P. Wells, Mt. Olive; Fred Outlaw, Mt. Olive; Fred Outlaw, Albemarle, president; Mrs. Vann Smith, Seven Springs and W. M. Griffin, Seven Springs; Fred Outlaw and Mrs. Smith have 16 years service. The others have served 17 years. (Photo by George Johnson).

### Bulldogs Defeat Tough Beulaville Eleven, 14-0

The Wallace - Rose Hill Bulldogs scored a 14-0 East Central Conference victory over a small but surprisingly tough Panther eleven in Beulaville last Friday night.

The Panthers threatened shortly after the opening kickoff racking up five first downs before the Bulldogs gained control. Halfback Jerry King gave Wallace its first TD in the second period when he raced across from the 12, following a Bulldog recovery of a Panther fumble. Willie Piner added the extra point.

In the third period the speedy Piner swept around end for 25 yards out and a Bulldog score. Again Piner added the extra point.

The Panthers led by backs Buddy Mercer and Harry Bratcher were successful on short gains, but could not muster a scoring drive.

Jackie Norris was outstanding on defense.

The Wallace - Rose Hill Bulldogs play host to the Red Devils of Burgaw last Friday night, while the Panthers of Beulaville High travel to Johnston County where the going will be just as rough against a strong Smithfield team.

### Smithfield Wins 33-7

Mike Starling scored three touchdowns to lead Smithfield High to a 33-7 victory over the Red Devils of Burgaw last Friday night in the opening of the East Central Conference for both teams.

Starling bolted loose for 29 yards in the first period to score, and then followed that up with a 10-yard scoring jaunt in the same quarter.

In the third period, Starling picked up another 29 yards to score. (CONTINUED ON BACK)

### "SALUTE TO THE WOMEN WHO WORK"

**By Miss Mary Alice Blackmore, Chairman of Public Relations, Warsaw B&PW Club**  
This week America salutes 22 million women who work. Join the salute, during "BUSINESS WOMEN'S WEEK", sponsored by Warsaw Business and Professional Women's Club.

We are particularly proud of this year's National Business Women's Week theme, "Salute to Women Who Work." After all, the Clubs in the National Federation have done an outstanding job in promoting business opportunities for women and encouraging women to seek positions at policy-making levels.

It is predicted that by 1965 there will be more than 5 million more women workers. This points out why we must all work together to provide the right training for these additional women workers, and why we must help them develop skills that will give them a chance for advancement.

There's an old adage which says "Wisdom is the principal thing, therefore get wisdom; and with all thy getting, get understanding." Let's add to this—"and with all thy getting get understanding and training." And to go even farther, we should add—get top-level positions for women.

The practice of calling attention to outstanding achievements of women serves the dual purpose of giving the nation a better appreciation of women's contributions and of inspiring all women in business and professional life to greater efforts.

The setting aside of a special week to honor the business women of America is a deserved tribute. I am confident that the business and industrial leaders of DUPLIN COUNTY will join with the general public in giving proper observance to this occasion.

Join the salute—to the women in your office, store or plant! Join the Warsaw Business and Professional Women's Club in observing National Business Women's Week!

### Service Motor Company Ranks Second In Region

Service Motor Company, Kenansville, has advanced to second place in Group I, in a contest as being sponsored by the DeSoto automobile division.

The contest is being sponsored in the Charlotte Region which includes all of North Carolina and South Carolina and parts of Virginia, Georgia and Tennessee.

E. E. Kelly said that the contest will end October 31.

### Small Game Hunt Begins October 1

Small game hunts for squirrel will start on October 1 this year according to a report from the North Carolina Wildlife Resources Commission. Western wildlife areas scheduled for these early hunts include Fires Creek, Standing Indian, Wayah Bald, Pisgah, Rich Laurel, Flat Top, and Daniel Boone. Other areas will be open to small game hunts later in the season.

Management area personnel report good crops of squirrels, apparently a result of a good oak mast this year. Grouse hunting will start on October 15 and small game hunters may also take rabbits on some of the areas. Groundhogs and wildcats may be taken on any of the small game hunts.

### Women's Auxiliary Of Duplin General Hospital Holds First Meeting

The first meeting of the Duplin General Hospital Women's Auxiliary met on Thursday afternoon at the Kenansville Baptist Church. An enthusiastic group of sixty women, representing every section of the county, was present.

The group was welcomed by Chief of Staff, Dr. R. F. Willis and Hospital Administrator I. O. Wilkerson. They expressed their appreciation and offered their assistance in any way to the new organization of Duplin.

Mrs. C. B. Guthrie who acted as chairman was unanimously elected president of the auxiliary. She presided and offered for adoption the Constitution and By-Laws which were accepted. The officers named by the nominating committee were unanimously elected and a list of the officers and committees will be published next week.

Vice chairmen were named from each town and community in Duplin and they are to appoint assistants to help them organize in their communities. Plans were discussed for different services to the hospital and how to help in any way to make the patients more happy and comfortable. The Finance Chairman, Mrs. Russell P. Harris of Kenansville, and Project Chairman, Mrs. William Brice of Wallace were nominated and are ready and willing to accept suggestions from anyone in the community.

The Executive Committee plans to meet next week at the Hospital to make plans for the next meeting of the Auxiliary which will be held in November. The hour and date will be set at that time and will be announced in this paper.

Every woman in Duplin County is invited and urged to join.

### Dedication Services For Nobles Chapel Church Is September 29

Nobles' Chapel Methodist Church of near Pink Hill will be formally dedicated on Sunday, Sept. 29, at 11 a.m. The Rev. H. M. McLamb Supt. of the Goldsboro Methodist District, will bring the dedication sermon and lead in the dedication service. Dr. H. L. Harrell, pastor, will preside over the service.

Nobles' Chapel was organized by the Rev. Mr. McLamb in 1938 while he was pastor of Pink Hill Charge. First services were held in a tobacco pack barn and then an abandoned school building until the church building was advanced enough to be occupied. Several years were required to complete the building and clear it of indebtedness for dedication.

Financial aid was given by the Duke Endowment and the board of missions of the North Carolina Methodist Conference as well as members and friends of the community.

The church has a lovely building consisting of a sanctuary and five class rooms. The valuation is placed at \$18,700.

The charter membership was 29. It is now in excess of 50.

Miss Annie Noble was a leader with Mr. McLamb in the earliest days of the new church. She is still an active member. The stewards are Miss Noble, Mrs. Helen Noble, Mrs. Cameron Howard, Mrs. Rex Noble, Mrs. R. E. Hicks, Mrs. P. A. Noble, Preston Stroud, Wilbur Tyndall and Mrs. Sam Hill.

Trustees are Rex Noble, R. E. Hicks, and Mrs. Melba Sparrow.

A picnic dinner will be served at 12:15. Each family is asked to bring a basket of lunch.

REV. H. M. McLAMB

## Resignation Of Deputies Boone And Dempsey Shake Duplin County

**BY PAUL BARWICK**  
Norwood Bone and Sidney Dempsey have resigned from the Duplin County Sheriff's Department on the request of Sheriff Ralph Miller.

The resignation as asked for after Sheriff Miller said he felt his investigation into an affair in the Wallace jail last Thursday night warranted such a move "for the sake of the Sheriff's Department."

"I have investigated the incident and believe that it is best for all concerned that it be done this way," he said. "Public sentiment is demanding it."

Investigation shows that Boone and Dempsey went into the Wallace jail last Thursday night to place Robert Thomas, Jr., in a cell as the result of a warrant charging him with non support.

When the officers started to leave, Bobby Cavenaugh, 28, of Rose Hill, called to Dempsey and cursed him, according to Sheriff Miller's investigation.

Cavenaugh had been placed in the Wallace jail by Highway Patrolman J. S. Briley, earlier in the evening as the result of him being in a fight in Rose Hill. The Wallace jail is used by the Duplin Sheriff's Department for most of the lock-ups required in Southern Duplin.

Dempsey has told Sheriff Miller that he stopped and had some words with Cavenaugh. It is reported that Cavenaugh told Dempsey that he was a coward and that if he would adopt the Korean girl, 12 year old Chung Sook Lee, as part of his International Good-Will Project is designed to improve relations between Home Demonstration Clubs and natives abroad. In some instances, foreigners are brought to the United States to live for one year under the International Youth Exchange program.

The Home Demonstration Clubs in the three-county area will each contribute \$1.00 toward Chung Sook Lee's upkeep. Cost of food for a child in Korea is \$5.00 per month and cost of clothing is approximately \$20.00 per year plus a few used warm clothes which could be sent in relief packages.

The three counties have 90 Home Demonstration Clubs in them.

Young Lee lives with her mother and father in a village called Chang Hung Ni. Her father, however, has tuberculosis and cannot do heavy work.

Missionaries from the village report the family is a very deserving Christian family.

### Third Polio Shot Is Essential For Total Protection Against Disease

Mrs. Christine Williams, chairman of the Duplin County Infantile Paralysis Chapter, urged all parents today to be sure their children get the third and final Salk vaccine, the anti-polio vaccine.

She points out that this year two cases of polio have been reported from Duplin County.

Sally Teresa Turner, 20 months old daughter of Mrs. and Mrs. Wilbur Turner, Wallace, is still in the North Carolina Central Convalescent Hospital, Greensboro, where she is being treated for paralytic polio. She was stricken with the disease on July 14.

Mrs. Williams said today that she has just received word that Mozell Vann, of Warsaw, five years old, has been examined by doctors and a diagnosis of nonparalytic polio given.

"The third shot is necessary," Mrs. Williams said. "I hope parents will be careful about this." She also said that she would like to point out the necessity all children and expectant mothers receiving the Salk vaccine.

Recently 23 old polio victims were notified of post-polio clinics being conducted at Goldsboro, Wilmington, and Clinton and that several of Duplin's old polio patients were examined. "We have been able to get in touch with some of our polio cases which needed more help through these clinics," she said.

### Duplin Home Demonstration Clubs To Participate In Adopting Korean Girl

Home Demonstration Clubs in Duplin, Sampson and Cumberland Counties have combined their County organizations and are sponsoring a Korean Orphan.

Yank Oak Ko, another Korean girl in the same village as Lee.

Adopting the Korean girl, 12 year old Chung Sook Lee, as part of his International Good-Will Project is designed to improve relations between Home Demonstration Clubs and natives abroad. ### The Federations Of Business and Professional Women's Clubs

During World War I, the idea originated of organizing business and professional women of the United States into a federated group. Men in practically all business and professions could be reached by the Government in an emergency, but no central organization existed through which the services of women employed in similar business and professions could be mobilized.

Secretary of War, Newton D. Baker, sent out an urgent call to make women power available for the war effort. The United States Government allocated \$65,000 for the organization of a specific group of women in the emergency. The War Work Council, composed of members of the Young Women's Christian Association, realizing the situation, took the initiative in calling representative women for a conference in New York on May 11 and 12, 1918 to discuss the advisability of establishing a nation-wide organization of business and professional women.

The National Federation was organized in July 1919 at St. Louis, Missouri by a small group of 212 business and professional women from 45 states. It is the first and largest organization in the world created to promote the interests of business and professional women. The National Federation is an independent organization - non-partisan.

### Sheriff's Department, SBI Begin Their Investigation Into Attempted Robbery

Duplin County Sheriff's Department and SBI agents began investigation today into an attempted robbery of a 67 year old woman of the Albemarle section by three unidentified men.

The incident occurred Sunday night, according to Sheriff Ralph Miller, but word of the attempted robbery did not reach his office until Wednesday night.

Sheriff Miller said that investigation reveals that three men, one with a handkerchief over his face, entered the home of Mrs. Elizabeth Hall about 10:30 Sunday night and ransacked her house looking for money. Mrs. Hall said she remained in the house until midnight.

According to Mrs. Hall, the three men came to her house and asked her to open the door and let them in. She refused and the men took a brick and broke down the door. She told Sheriff Miller that one of the men told her they would kill her if she did not tell them where she kept her money. They also threatened to burn her house.

Mrs. Hall said she did not give them anything and they did not find any money in their search.

The house in which she lives is about one and one half miles from the nearest occupied residence. She is a widow and has arthritis and is unable to walk very much.

Her son, Durwood Hall, visited his mother Sunday and returned Wednesday at which time he learned of the attempted robbery and breaking and entering and threatening Mrs. Hall's life. Hall reported it to the Sheriff's Office immediately.

SBI Agents George Kennedy and Frank Satterfield began their investigation Thursday morning and were busy taking finger prints for possible identification.

The Sponsors' Dinner of the Duplin County Community Development Program was held last Thursday night in the Warsaw National Guard Armory with approximately 250 farmers, agriculture workers and sponsors attending.

The five Community Development Clubs were represented and took part on the programs. The goal as set forth to date is for 20 Community Development Clubs to be Duplin's total by the end of 1958.

The County organization, including Cedar Fork, Bowden, Pleasant Grove, Lyman - Fountain and Sarecta, has a motto of "County Progress through Community Development by All Working Together." Objectives are (1) increased farm income and (2) converted to improved living.

At the Sponsor's Dinner, which was sponsored by the Branch Banking and Trust Company banks at Faison, Wallace and Warsaw; and the Waccamaw Bank and Trust Company banks at Beulaville, Kenansville and Rose Hill, was the first such mass meeting of its kind since the County Community Development organization came into being. Reports were given from each of the five communities setting forth their achievements and goals of the future.

Presidents of the community organizations who were seated at the head table were: Sam Taylor, Bowden; George Cowan, Cedar Fork; Clarence Sloan, Fountain - Lyman; Elmo Blizzard, Pleasant Grove; and Kenneth Grady, Sarecta.

The banquet was presided over by Leon Brown of Beulaville. He is president of the Duplin County Community Development Program.

After a barbecue chicken dinner was served, E. C. Thompson of Warsaw and Branch Banking and Trust Company, gave the welcome remarks with the responsive being made by Mrs. James Sauls, of the Bowden community.

Before dinner was served, the Pleasant Grove Community quartet rendered a selection followed by the invocation by the Rev. Norman Aycock of the Cedar Fork Community.

In Thompson's remark she pointed out that four principals should be followed as the County Progresses. "Ask these questions," he suggested, "and if we can give a right answer, to all, we are headed in the right direction."

One, is it the truth; 2, is it fair to all concerned; 3, will it build good will and better friendships; and 4, will it benefit all concerned.

Phil Kretsch, of Kenansville and associated with Waccamaw Bank and Trust Company, stressed the importance of everybody working together to make a better Duplin.

He pointed out that great strides can be made if "we all get away from the one money crop—tobacco." He stressed the importance of getting into other such fields as beef, chicken production and truck crops.

At the end of the program, Dean D. W. Colvard, Dean of the School of Agriculture, N. C. State College, gave a few remarks and commended the business men and farmers of Duplin County for their attitude of working together and making Duplin a better place in which to live.

J. A. Glazener, Extension Program Planning Specialist with North Carolina State College, was given high praise for his work in Duplin County for sparking the organization of the five community development clubs now organized. All of the agriculture workers in Duplin County were introduced at
