

The Christian Viewpoint

Nothing is rampant in several trouble spots in the world today, Venezuela, Lebanon, and Algeria have all suffered the shame of lawlessness. However, wrong they are, whether communists or not, it is a pity. Yes, that's it, a pity. Poor boistered, ungoverned and foolish men break out into violence which only makes matter worse. The tragedy of human life is human folly and sin.

Once when Jesus was going about teaching, preaching, and healing we read. When he saw the multitudes, he was moved with compassion for them, because they were distressed and scattered, as sheep

not having a shepherd." (Matt. 9:36). When Jesus' life was threatened by those who rejected his teachings of peaceful adjustment of their problems, and instead wanted to rebel against the Romans, he said, 'O Jerusalem, Jerusalem, that killeth the prophets and stoneth them that are sent unto her; how often would I have gathered thy children together even as a hen gathereth her own brood under her wings, and ye would not! Behold, your house is left unto you desolate.' (Luke 13:31 - 33).

The bad facts are that Jerusalem rejected Jesus Christ because he would not lead them in an insurrection against the Romans. When they rejected his way of peace and chose warfare they moved on to the Jewish War and the destruction of Jerusalem by Titus in 70 A. D. Foolish men, struggling in the blindness and folly of their own schemes for violent action, may plunge the world into the holocaust of war.
