Straight from the Shoulder — Right from the Heart of Duplin

VOLUME XXVI

No. 22

KENANSVILLE, NORTH CAROLINA, THURSDAY JUNE 4, 1959.

SUBSCRIPTION RATES \$3.00 per year in Duplin and adjacent counties; \$4.00 outside this area in N. C.; \$5.00 outside N. C.

PRICE TEN CENT

Sinclair Newman, Jr. To Direct Band James Kenan School District

The James Kenan District Band Committee announced today the appointment of Mr. Sinclair Newman Jr. as the new director of the District Band which will be organized with the opening of school this fall. Mr. Newman was born in Henderson and graduated from the Henderson High School in 1922. While there he participated in the band in both grammar and high school. Henderson has long been known (in the state) for its outstanding accomplishments in the

field of band activities. He received his B. S. Degree in Music from E. C. in 1958. While in college he was a member of both the marching band and the concert band and other instrumental ensembles. He was also a member of the Phi-Mu National (Honorary Music Fraternity).

He is married to the former Beverly Ann Summer of Wilmington, who also attended E. C. They have no children.

Mr. Newman's first teaching position was with the Zebulon High School Band. After one year he spent a period in the army. While in the Army he was selected as the outstanding trainee of his company and received a citation. He comes to Warsaw from the Rock Ridge School District where he has been employed as both director and teacher.

Mrs. Newman has directed bands at Bunn and at Franklinton, N. C. She plans to give private lessons and teach tonette to the children in grades one, two, three and four.

Mr. and Mrs. Newman will move to Warsaw about the first of August.

Registrars Meet In Asheville

The Register of Deeds of the state will be busy registering them selves at the North Carolina Association of Registrars of Deeds seventh Annual Convention which will be held at the George Vanderbilt Hotel in Asheville from June 7-9.

Duplin County Registrar of Deeds, Mrs. Christine W. Williams, will be in charge of Registration, and will also recognize the guests at the business session on Monday morning. A full and interesting program has been planned for the entire three days.

Mrs. Williams, treasurer of the State Association, reports that there are 83 paid up members this year, which is the best record yet for the Register of Deeds of North Carolina.

Mrs. Eula Whitley, Registrar of Wayne County and Mrs. Catherine Cook, registrar of Lenoir and Mrs. Williams will go to Asheville together.

Two Duplin Teenagers Face Drag Race Charges

On Sunday evening two teen-age boys from Duplin were caught for pre-arranged drag racing, and careless and reckless driving. Three other boys were charged with aiding and abetting. The boys are out under \$300.00 bond each. John Allen Potter, white male, age 18, was driving a 1952 Ford Chevrolet, and Tommy Hulbert, white male, 16, was driving a 1958 Ford. DeSoto. Both boys are from Route 1, Kenansville, Patrolman G. R. Stewart of Kenansville, who caught the drivers, witnessed part

of the race from his own back yard and overheard a conversation between the two boys. He had seen the boys racing on two different occasions. He chased the cars and caught Hulbert and went to Potter's home, where he was arrested. Riding in the car with Hulbert was Gene King 17 of Rosehill who was charged with aiding and abetting in drag racing and careless and reckless driving. Riding in the Chevrolet with Potter were two minors who were charged with aiding and abetting and their case will be heard in Juvenile Court. Hulbert, Potter and King will be tried in County Court on June 9. Both cars were confiscated and are being held until the outcome of the trial.

Conference Sun. At Warsaw

The Fourth Quarterly Conference will be held for the Warsaw Charge, which consists of Warsaw and Carlton Methodist Churches on Sunday evening June 7th, at 8:00. The Reverend H. M. McLamb, District Superintendent of the Goldsboro, Methodist District will preside and bring the evening meditation.

Music will be rendered by the Warsaw Men's Chorus under the direction of Mr. Aubine English. The chorus is made up of Methodist men of the Warsaw Church. Special music will also be rendered by the Carlton Youth Choir.

The charge will review its progress for this conference year hearing reports from the leaders of the commissions and committees. A budget for next year will be adopted, officers, and leaders elected to lead the church for the coming conference year 1959-60. All are invited. L. T. Wilson is pastor of the charge.

Fractures Skull In Wreck

Adolph Brancho, colored male 47, of Route 3 Pink Hill had an early morning wreck on Sunday morning, 7 miles north of Beaulville in front of Mrs. John Howard's residence.

Brancho was driving a 1953 Chevrolet toward Pink Hill and failed to make the curve, skidding for 900 feet. The car turned over and Branch fell out.

Brancho was admitted to Duplin General Hospital with a fractured skull. It is estimated that he was traveling 75 miles per hour, and it is reported that there was evidence of drinking. Charges are pending the outcome of this condition. Patrolman G. R. Stewart investigated the accident.

Duplin Receives Federal Funds

Duplin County will receive for immediate payment \$31,406.00 for financial school assistance under Public Law 874, the so-called Federal impacted areas school bill.

According to Supt. of Schools O. P. Johnson, the Board of Education made application for this money in March, after having prepared information for the past year. There are 702 Federally affected students in Duplin County. This money is to take care of part of the educational cost of the children of people who are in the Armed Services from Duplin County, but whose children go to school in Duplin County. It provides part of the educational expenses for the children of the people from Duplin County who work at Camp Lejeune, Cherry Point, Fort Bragg and other Federal properties. The money will be budgeted and used as Current Expense money for the operation

of the Schools of the county. Mrs. J. R. Grady, editor of the Duplin Times, received the following telegram yesterday (Wednesday) from Congressman Graham A. Barden.

"Thought your readers would be interested in knowing that the Office of Education has approved the application filed by Duplin County Board of Education for financial school assistance under Public Law 874, the so-called Federal Impacted Areas School Bill. They are certifying for immediate payment the amount of \$31,406.00 this amount is determined from a tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application. Additional payments will be subject to such adjustments as may be required from actual data in place of estimates and by the

availability of funds in relation to total entitlements for fiscal year. Total tentative entitlement for fiscal year 1959 on this project is \$41,875.93.

This program was handled by my committee and approved by the Congress in 1950 and has been operating since that date. However, this is the first year that Duplin County has been able to qualify under the terms of the act. The philosophy of the law is to help community where there is an impact as a result of Federal Government activities such as Military installations resulting in an increased demand for services, such as schools, and no increase or a decrease in revenue raising capability of the Local Governments. I hope that these funds will be of material assistance to your county in the operation of its schools."
GRAHAM A. BARDEN
Member of Congress

TIMES SPORTS By Joe Costin

First Week Standing
Legion 2
Rotary 1
Lions 1
Jaycees 0

Won 1
Lost 1
Lost 1
Lost 2

PLAY BALL . . .

The Little League Baseball season got underway over in Warsaw last Wednesday afternoon between the Legion and Jaycees and the Lions and Rotary. In the opener the Rotary swamped last year's champs Lion's 12-5 behind the fine pitching of Larry Cooke, Charles Anderson, Lubbie Ezzell, and Paul Britt, Jr., shared the mound for the losers. One of the big sparks for the Lions was a tremendous homer run in the fifth by Donald Knowles. Arthur Minshaw lead the winner at the plate.

You can bet the next time around, the Lions will be gunning for the Rotary. . . . Manager Paul Britt has been working every afternoon with his boys. This year should be an outstanding year in the Little League. I believe all the clubs have improved over the first year in the league. I'm sure in hopes all the teams will be able to secure an official scorekeeper. If you are not paying and would like to keep the running score for one of the teams, please contact one of the managers.

Little Lynn Hilton pitched a one hitter last Wednesday afternoon as Manager Wilbert Boney's Jaycees 15-0 Manager Boney has a very good combination in Mickey and Hilton. When Walker is pitching Hilton is behind the plate and vice-versa. Walker lead the Legion at the plate with three-for-four. Terry Quinn and Frank Ezzell had two-for-four for the winners. Larry Hilton of the Legion hit a grand-slam homer, but was called out for not touching second base. . . . or in other words it was a single and he was called back to first base. Harold Lewis got the only hit for the Jaycees.

Larry Hilton was the hero on Saturday afternoon for the Legion with two-for-two as the Legion out-drove the Rotary 8-7. The Rotary was leading 7-6 in the seventh when Hilton at bat and a man on base with two out, hit a double for the Legion and pulled it out of the fire. Terry Quinn and Ray

Lane lead the winners with the bat two-for-three.

The Lions roared back on Saturday and downed the Jaycees 8-3 behind the pitching of Charles Anderson and Paul Britt, Jr.

This year the Little League will have a farm system mostly for the younger players coming up this season. In the farm organization the League will have two teams under Manager Johnny Jenkins.

NOTICE

Any person having a musical instrument they wish to sell or get rid of otherwise, please notify Rev. Ted Wilson Warsaw, N. C., before June 7, stating the kind of instrument and the price desired.

Musical instruments will be on display June 8, 9, and 10 in the Fireside Room of the Methodist Church in Warsaw for all who have signed as a member of James Kenan, Magnolia, Warsaw or Kenansville Band or anyone who plans to sign.

Each parent will be notified and given a 30 minute appointment for each child in order that a suitable instrument may be selected for each band member. The band director and a reliable musical instrument representative will be present to assist in the selection of your instrument.

Charles Morris Charged In Break And Enter Case

Several break-ins in Faison since May 24, has led to the arrest of Charles Morris, 39, Negro, of Warsaw.

Deputy Murray Byrd said Morris has been charged with breaking into I. R. Faison's Drug Store, in Faison, on the night of May 24, and taking between 12 and 15 wrist and pocket watches. Most of them had been sold. Morris has admitted the theft, according to Byrd.

Some of the watches have been recovered. Morris is also being questioned in regards to breaking into Amoco Service Station on May 25, and entering a cigarette machine and taking about \$50 of merchandise and money.

He is also being questioned in regards to a break-in at Parker Grocery Store on Saturday night, May 30 and taking \$18 in money in addition to a quantity of meat. Morris has not been given a hearing yet. He has not been charged on the latter two counts.

Mess Attendants Needed Now At Seymour Johnson

Seymour Johnson Air Force Base is accepting applications for Mess Attendant from 1 June through 10 June 1959. Positions pay \$1.15 an hour and there is no minimum experience required to qualify; however, applicants will be rated according to the amount of experience in such work as paring food, kitchen police, pre-paring food, clean up, sanitation.

This position is restricted by law to persons who are entitled to veteran preference. Applications for this examination will be accepted from persons who are not entitled to veteran preference for positions only when persons entitled to veteran preference are not available.

Application form SW 87 may be obtained at Post Office or Base Civilian Personnel Office and should be completed in detail and mailed to the Board of U. S. Civil Service Examiners, Seymour Air Force Base, N. C., before 15 June 1959.

Duplin County Tax Rates Set At \$1.35 Per \$100 Valuation

The Duplin County tax rate for the 1959-60 fiscal year remains the same as it was for the immediate past fiscal year at \$1.35 per \$100 property valuation.

The County Board of Commissioners set the rate at their regular monthly meeting in Kenansville, according to County Accountant F. W. McGowen.

The budget calls for \$1,528,947.73. Schools get the largest single share of the budget. A breakdown indicates that \$232,356.00 will be spent for school current expenses, \$278,268.63 for school capital outlay, and \$9,706.25 for school debt service.

For general expenses, poor, health, and other such items \$400,733.40 has been set up in the budget.

Seymour Johnson To Give 3-Hour Rescue Course

Seymour John Air Force Base is again offering a three hour Crash and Rescue Course for federal, civic, and county officers.

Officials from Police and Fire Department, Rescue Squads, County Sheriff's Office, North Carolina Highway Patrol, and Forestry Departments are encouraged to sign for the course which will take place on 5 June at 2 p.m. at the Seymour Johnson Base Theater.

The training program is designed to show personnel how to accomplish rescue work at the scene of a crash-landed aircraft. Correct rescue procedures on the bases la rescue aircraft will be shown to enlistees of the course. Key roll of the short session is designed to prevent injury and the proper training evacuation techniques which might save the lives of wounded crew members.

Wayne County Votes Dry Again

Wayne County, voting in an ABC Store Referendum Tuesday, defeated the issue by a margin of 651 votes.

A total of 4508 Wayne Citizens voted against the ABC Stores while 3,867 voted for the stores. Of the 17 precincts in Wayne County, only five votes in favor of the liquor stores while 12 precincts voted against the issue.

Applications For Jobs At Seymour Johnson Opening

Seymour Johnson Air Force Base is accepting applications for Water Plant Worker, WB-9, and 13, and Sewage Plant Worker, W. B.-9 and 13, beginning 1 June 1959. Positions pay \$1.59 and \$1.84 per hour, respectively. The minimum experience required for Water Plant or Sewage Plant Worker, WB-9, is 18 months, while applicants for Water Plant or Sewage Plant Worker, WB-13, must have had at least two years experience in the operation and maintenance of water or sewage equipment.

Aid to dependent children will require \$243,000.00 during the next fiscal year while another \$90,720.96 will be spent for aid to permanently and totally disabled. An appropriation of \$8,539.96 has been made for aid to the blind. The County debt service will call for \$65,023.49.

Operation, equipment and maintenance of Duplin General Hospital will be \$34,000.00. For old age assistance, \$183,160.00 has been set aside.

According to McGowen, the Duplin County property valuation is \$51,000,000.

12 Reasons Why I Am A H.D.C. Member

By Mrs. Luther W. Register Rockfish H. D. Club

I am a member of the home demonstration club because the home demonstration club was organized to assist rural women. It promotes higher standards of living in the home and in the community. I live in the Rockfish Community of Duplin County and am a rural person myself.

In meeting together and co-operating in the various activities of the club work, we learn to know and love our neighbors better. Club activities promote a more helpful, friendly and kindly spirit in the community. We receive much information we would not get otherwise.

Demonstrations given by the home demonstration agent in the club meetings teach us how to make our homes more beautiful, with properly planned home grounds, making driveways more conveniently located, lawns covered with grass, shrubbery and flowers properly set to accent the beauty of our homes, gives pleasure to us as well as the passer-by.

We learn how to make the interior of our homes more livable by refinishing floors and lovely old furniture, painting, adding closet space where needed, sufficient cabinet space in our kitchens, with good arrangement for saving steps. Lights and water are a must in a modern farm kitchen.

We learn of the relation of food to health, how to supply our family with a varied and adequate diet by canning, preserving, and drying an ample food supply, by a recommended food budget.

Clothing is an interesting study. We learn how to best select clothing for persons with different figure types.

To develop initiative and imagination that will enable us to use what we have to the best advantage, how to make over old clothing in the latest style, hats and other things in like manner. An afternoon at the club rests

us, we forget our worries in a good laugh over some game or song during the recreation period. It is said that a good laugh often does more good than medicine.

We learn parliamentary procedure and how to put it into practice which helps us in other organizations of our community as well as in the club. Field and Home Week, which is held at State College each year is a wonderful vacation for farm women. The demonstrations on various subjects are instructive, interesting, and educational. The tours we take to see many places of interest are interesting and enjoyable.

At the close of each of the monthly meetings the hostess serves refreshments, which teach us how to become a better and a more gracious hostess.

At our meeting in August we have a picnic, to the lake or beach, or plan a program whereby each club member is responsible for some type of recreation.

Tobacco Plant Beds Should Be Destroyed

Tobacco farmers should promptly destroy plant beds. Some of our most destructive insects such as flea beetles, aphids and vegetable weevils breed in tobacco plant beds. These insects move out onto field plants. Destruction of this breeding ground will reduce the number of these insects that the farmer has to fight in the field.

Aphids and Vegetable Weevils larvae can be eliminated from the flea beetle since this insect feeds but it is not so simple with the flea beetle since this insect breeds in the soil. A thorough job of plowing and harrowing the soil will kill the flea beetle in the soil.

Carolina Telephone Send New Phone Directories; 11,200 Books Go Out

Approximately 11,200 new telephone directories will be in the hands of subscribers in this area within the next several days. C. G. Fields, Carolina Telephone and Telegraph Company Manager said today. The books are being mailed to telephone users in Kinston, LaGrange, Pink Hill, Moss Hill, and Grifton.

The number of books issued this year will exceed last year's figure by almost 500, which not only indicates the increase of telephone users in the area but emphasizes the general growth of the area as well. At the end of April, 1958, Fields stated, there were 10,897 telephones in the ex-

changes named above. By the end of April, 1959 the total had risen to 11,159 for a net increase of 462 telephones.

The Kinston exchange, with a gain of 207 telephones, was responsible for most of this growth. Subscribers will get gray and green covered books this year in contrast with last year's mahogany and yellow directories. Fields pointed out that, in order to keep the listings as current as possible, new directories are issued every year and at no cost to the subscribers.

The old directory should be discarded as soon as the new books have been received, Fields said.

Dairying And Dairy Products To Get Spotlight During This Month

Down through the ages most people have associated the month of June with romance and marriage.

Since 1938, however, many people have also come to associate it with June Dairy Month for each year since then dairy people and people in related industries have joined to tell everyone about this tremendous dairy industry of ours. It has food promotion event of the entire year.

This we feel is fitting because dairying is the largest single farm enterprise in the United States, accounting for just under 20 percent of the total farm income.

Dairying is a big business and one that has made tremendous strides in the past few years. For example, think of the improvement in quality and safety that has been made in milk in the last decade.

May Induction

James Franklin Klesner and Marshall Stanley Byrd were inducted in the Army in May. The June call is for only two boys. There will not be a pre-induction for the month of June.
