

### ROY CARTER OF WALLACE ON "1959 AGRIBUSINESS CARAVAN"

Roy B. Carter of Wallace is on the "1959 Agri-business Caravan" which returns to North Carolina on June 14.

From North Carolina to California — all the way across the continent — 156 Carolina bankers and farm leaders flew this week to find and bring back home success-proven ways of making more money on the farm — in production, in processing and in marketing.

While in California the caravaners toured farm and metropolitan areas between Los Angeles and San Francisco, riding four chartered buses in the tradition of the western wagon train.

They inspected farms and markets and processing plants both large and small, the primary criteria being that they are efficient and they offer ideas that can be applied effectively to Carolina agribusiness.

The Caravan is sponsored by local banks in cooperation with Wachovia Bank and Trust Company, N. C. State College and the N. E. Department of Agriculture.

Included on the itinerary were stops at the largest independent dairy farm in America, at one of the outstanding poultry breeding farms in California, at the world's largest electro-mechanical egg grading and distributing plant, at a push-button beef cattle feeding operation, at several truck farms and fruit and vegetable packing plants and at Disneyland, Knotts Berry Farm, Ghost Town and the University of California at Berkeley.

### Annual School Christian Studies Raleigh June 15-19

Merced College will be host this year to all who wish to attend the annual School of Christian Studies, June 15-19.

Three outstanding lecturers, have been named for the school. Dr. Dale Moody, Brown Professor of Systematic Theology at Southern Baptist Theological Seminary, Louisville, Kentucky. His theme will be "The Rediscovery of the Church."

Dr. Otto Piper, Professor of New Testament Literature and Exegesis at Princeton Theological Seminary, Princeton, N. J., is a native of Lichte, Germany. His theme for the series will be "The Message of Christ's Parables." He will give five lectures.

Dr. D. Elton Trueblood, Professor of Philosophy, Earlham College, Richmond, Indiana, is a native of Iowa. His theme is "The Relevance of the Gospel."

Any or all of the lectures may be attended — there is no registration fee. They open in the college auditorium at 8:00 p.m., on Monday, June 15. The evening lectures continue through Thursday evening.

The morning lectures, also in the auditorium, will be held Tuesday through Friday at 9, 10:30 and 11:45 a.m.

Dormitory accommodations may be secured by writing to the chairman of the Merced School of Christian Studies, Dr. Ralph E. McLain, at the college.

### Patients At Duplin General Hospital

Chinquapin: David Dail, Alice Brown Russell, Bertha Lois Russell, Linda Lucille Henderson

Kenansville: Norma Lanier Braswell, Julia Robert McGowan, Woodard Paul Williams, Thelma Smith Stroud, Robert E. Hollingsworth, Gurman Patterson Powell, Ann Dail Craft, Kaye Benson, Mary Emma Outlaw, Amanda Sutton

Warsaw: Geraldine Brown, Baby Boy Brown, Linda Pearl Martin, Addie Pearl Grady, Baby Boy Grady, Eleanor Margaret Garity, Sheila Ann Garity, Herman Lee Outlaw, Ida Cummings, Charles Edward Page, Henry Ellis Carter, Daisy Grace Byrd, Beulaville, Timmie Miles Thompson, Carrie Lou Thompson

Turkey: Leroy Armwood, Magnolia: Henry Lawrence Sanderson, Brenda Kay Dail, Lila S. Wilson, Ada Jane Williams, Baby Boy Williams, Jimmy Wright Ritter, Maggie Ruth Thorbs

Wallace: Joe Eddie Wood, Charles Edward Wright, Harold Dean Sholar, John David Newkirk, Pink Hill: Owen Wayne Houston, Roy Herring, Mt. Olive, Evelyn Joyce Knowles, Fred Outlaw, Gladys Herring Komegay, Clarence Herman Pate, Rose Hill, Harry K. Turner, Jean Catherine Winston, Elizabeth Edwards, Leland Jay Vernon, Jerry Franklin Turner, Jessie Rae Gilmore

Faison: Levi Tam, Ross Herring, Fred Arnette

### Measuring Crops Now Being Done

"Performance of measuring allotted crops is going along nicely," reports Rufus Elks, Jr., ASC office manager. "However, we are still needing more reporters to help us measure these crops. Any young man who is 17 years old and is a senior in high school and who is interested in measuring land should come to the ASC office and receive instructions on measuring land."

"It is our plans to have all first measurements completed by June 20 and all disposition of excess and remeasurements completed by June 30," he further states.

"When our reporters visit your farm to perform this work, please have someone at your farm who knows the location, etc., of your crops and please cooperate with him in doing this work."

### Holland Announces Farm Storage Expanded Through Loans

More than 10 million bushels of grain storage capacity was placed on the Nation's farms in the first quarter of 1959 as a result of ASC's storage facility loan program, according to O. L. Holland, Chairman of the Duplin County ASC Committee.

Storage facility loans totaling more than \$3,000,000 were made during the January-March period to approximately 3,700 farmers, Holland said. In addition, 183 farmers borrowed a total of \$268,000 to finance mobile crop drying equipment to use in connection with storage facilities.

During 1958 nearly half a million bushels of grain storage capacity was added on North Carolina farms. Storage facility loans totaling \$158,000 were made during that period in this State. In addition 61 North Carolina farmers borrowed a total of \$69,000 to buy drying equipment for use in connection with storage facilities.

Loans up to 80 percent of the cost of grain storage facilities are available through ASC offices to help farmers meet the need for farm grain storage.

Since this program began in 1948 loans have been used to add 148 million bushels to the Nation's farm storage capacity and to install drying equipment valued at more than \$5,000,000.

The Bronze Medallion house built by Herring Handy Helpers of Rose Hill, which will hold open house in Rose Hill on June 12-13, and 14 from 9:00 'til 9:00 P. M. This house was built and finished completely from the foundation up in 15 days. The outside is of Western Red Cedar. It has three bedrooms, living room, kitchen and dining room combination and bath. (Photo by Ruth P. Grady.)

### OPEN HOUSE JUNE 12-13-14

### House Built In Fifteen Days Bronze Medallion Home In Rose Hill

Duplin County is sporting another Medallion House. This is a Bronze Medallion in Rose Hill built by Herring's Handy Helpers. An attractive 5 room home of Western Red Cedar with white trim and white blinds. It is located on Azalea Street in Rose Hill and open house will be held Friday, Saturday and Sunday, June 12, 13, and 14 from 9:00 until 9:00 p.m. The public is cordially invited.

This is a most unique house in that it was built from the foundation up in exactly 15 days and ready to be moved into on the fifteenth day. Bob Herring, owner of Herring's Handy Helpers, is most enthusiastic about this accomplishment. This modular component house was made up in four foot sections and the fast construction was accomplished by a coordinated schedule, and gives the buyer the maximum quality for a most reasonable price.

Herring states that this accomplishment is a dream of the past three years, and the last year has been one of the hardest year's work that he has ever done in his life. After getting the idea, he had to travel quite a bit observing construction of all houses, then he started work on his idea and burned much midnight oil figuring the house out to the last minute detail. Today he can feel a great pride in the results of his work.

Every angle was figured, the foundation laid, materials placed on the lot, each contractor knew his part in the program. The 4 ft. modular units had been made in Herring's Handy Helpers shop. Then the play started. With four carpenters, the joists were put down, the outside walls put up, and by the fourth day the roof was completed, the outside doors hung, disappearing stair installed and work was started on the inside wall. On the seventh day the inside partitions were being put up (in this type of house partitions are not put up until most of the inside is finished.) This left only eight days for the electricians, plumbers, heating men, cabinet ma-

sters, painters and tile layers to put the finishing touches. The wiring was done according to Medallion specifications!

Herring states that this fast building program is accompanied by organized coordination. Before the building is started each plan is worked out, each contractor knows his time to be on the job, and each man fulfills his part of the building program at the time he is scheduled to do the work. By all of the workers working together in this manner, one doesn't hold the other's work up. Thus the expense of time in building is cut down without sacrificing the quality of building. Also with a planned schedule of this type, there is no wasted material. This is well demonstrated by the construction of the 1084 square foot home in only fifteen days, including all of the finishing touches which usually take such a great amount of time. The house was built at a minimum cost, in the vicinity of \$10,000 including the lot. Herring plans to cater to the building of houses between the cost of \$7,500 to \$12,000. At present he has three house plans available.

S. K. Lockerman of Rose Hill was electrical contractor; D. G. Alderman of Rose Hill, plumbing contractor; J. A. Rackley, Wallace heating; Joe King of Teale, painting; Smith Bros. Tile Company of Magnolia, ceramic tile; and John Rich of Magnolia, floor finisher.

Thus Duplin County makes another stride in the building program of the future.

### J. K. Boosters Club Met Wed.

The J. K. Boosters Club met at James Kenan High School last Thursday night with only a very few patrons of James Kenan present. In fact only six attended Sam Godwin, Allen Draughn, Jr., Lott Komegay, Joe Costin, Clarence Warren, and Paul Potter all of Warsaw.

At the present time only about fifty individuals have joined the Boosters Club. In other words out of about 6,000 in the school district (Warsaw, Kenansville, Magnolia) only forty individuals have ever attended a meeting. I know some of us will give a little to help and yet we just don't have time to attend a meeting. Some very important business was to come up at the meeting but where were you . . .

Mr. Godwin reported to the few that the moving of the lights from the old Warsaw Field would cost about \$1700.00. The contract has been let and the lights, new poles, etc. will be up before too long. The club needs only about \$200. and the lights will be paid for.

Mr. Godwin also reported that 1,000 bleachers have been purchased and are ready to go up on the new field. And I would like to say the club will have them paid for by the fall. Most of the leg-work and long hours of begging goes to Mr. Godwin for what has been done.

The Boosters Club will hold a Work Day next Wednesday afternoon at 2:00 p.m. Everybody that can possibly come out to James Kenan and help erect the new bleachers . . . please come.

Not long ago committees were appointed in the school district to help carry the program. No report was made from Kenansville or Magnolia, but it was reported that about \$1650.00 has been collected in the Warsaw district.

### Lewis Carlton Succumbs At 82

John Lewis Carlton, 82 died late Monday afternoon at his home near Warsaw after an illness of several years.

Funeral services were held at the Johnson Baptist Church Wednesday afternoon at 3:00 o'clock with the services conducted by Rev. Eugene Hager assisted by Rev. Paul Mull and Rev. Norman Flowers. Interment was in Pinecrest Cemetery.

He is survived by his wife, the former Mary Wilson of Warsaw and several nieces and nephews.

### NOTICE

A meeting of the Hospital Auxiliary will be held this afternoon (Thursday) in the Nurses home in Kenansville at 3:00 p.m. for the purpose of installing new officers.

All women of Duplin County are urged to attend. All women interested in joining, come prepared to join. The membership fee is \$1.00 per year.

L. U. Chandler, hospital administrator, will give a brief report on the progress of the hospital.

Refreshments will be served.

### Duplin Negro 4-H'ers Shine At Dist. Federation

Duplin county 4-H'er's far outdistanced the nearest competitor yesterday (Wednesday) at the 4-H District Federation and brought home the coveted District Trophy.

Some 32 Duplin county 4-H'er's stocked up 1141 points in the contest involving 17 counties, Lenoir, came in second with 785 and Robeson third with 747. All Duplin participants had participated in the county elimination on April 24th.

District championship in 4-H activities was held by Duplin club members also in 1955. The day long event was held at the North Wayne School in Wayne county. Duplin entered 10 areas of project work and won 1st place in 5, 2nd place in three and one disqualified because of age, and one 4th place.

First place winners in the boys division were Colton, Walter Williams and Nathan McGowan of the E. E. Smith Jr. Club; Electricity, Windsor Johnson, and Donald Graham of Rose Hill; Farmers Cooperatives, Oliver Jones and Eric Wilkins of Warsaw; Burnis Hargrove and Charles Smith of Charity took 4th place in Forage Crop.

In the girls' division 1st place in Poultry went to Evon Alderman, and Annie McCullen of Rose Hill; Electricity, Gwendolyn Pickett and Susie Sharpless of Chinquapin; 2nd place honors in Bread-making went to Vernetta Bell and Ann Loftin of Warsaw and Geraldine Sanders (individual) of Rose Hill; 2nd place Vegetable Cookery, Jessie Dafford and Evelyn Alderman of Rose Hill. Queen E. Frazier of Rose Hill in Dairy Foods had to be disqualified because of age.

Clara Dobson, Mary C. Williams, and Marilyn Powell entered the District talent show.

Mrs. Pummie Graham, Mrs. Irene Carr, Thomas Roberts, 4-H Teacher Leaders; Leslie Williams, and Mrs. L. Pickett, Neighborhood leaders accompanied the 4-H'er's to Fremont along with the Extension Agents.

In the Dress Revue Gloria Dafford of Rose Hill won 1st place and Janice M. Miller of Kenansville. Leslie Smith, Susie Branch of Kenansville won 2nd place.

On May 11, 1943 an amphibious force led by Rear Admiral F. W. Rockwell captured the Japanese stronghold of Attu in the Aleutians, thus wrecking Japan's hope for conquest of Alaska.

The tune of the Marines' Hymn, first sung after the Mexican War in 1847, occurs in an old Spanish folk song and in the French comic opera "Genevieve de Brabant" by Jacques Offenbach.

### Scrap Paper Drive

Place your scrap paper (old news papers) on your front porch and it will be picked up the last Saturday afternoon of each month by the Kenansville Jaycees. Proceeds will go for their community development program. Tie the papers in bundles if possible.

### Legislature Approves Small Watershed Bill After Two Years Of Waiting

After two years of waiting, North Carolinians have the go-ahead to share in the benefits of the Federal small watershed improvement program.

Enabling legislation to permit Tar Heel landowners to assess themselves to pay their share of project costs completed a successful trip through the General Assembly this week (Thursday).

The bill was sponsored by the North Carolina Association of Soil Conservation District Supervisors and the State Board of Water Commissioners, with the support of farm organizations. A similar bill failed two years ago.

Water officials backed the bill as a measure teaming the two essentials of sound water conservation—management of both land and water resources. Objectives of the small watershed program are: (1) better land utilization; (2) land treatment to control erosion and retard water runoff; (3) channel improvement; (4) drainage of land; (5) reduction of flood water and sediment damage; and (6) utilization and

### TIMES SPORTS

By Joe Costin

#### LIONS TRIM LEGION, 7-1

Charles Anderson and Paul Britt, Jr., pitched two and one-half innings apiece last Wednesday afternoon stopped the first place Legion on two singles, one by Mickey Walter and the two other by Frank Ezzell.

Walker pitched two complete innings for the Legion and was replaced in the third by Lynn Hilton, Walker was the losing pitcher with a record of two wins and one defeat.

Britt lead the Lions at bat with two doubles and a single, Donald Bradshaw hit a first inning home run to get the Lions off to a good start, little Donald Knowles hit another tremendous drive that was good enough for a triple, and James T. Jones also had two singles for the winners.

The Legion scored their lone run in the second when three walks and a hit batsman forced in the run.

#### LEGION SWAMPS JAYCEES, 15 - 0

Manager Wilbert Boney's veteran combination Mickey Walker-Lynn Hilton pitched a "no-hitter" at Allen Draughn's Jaycees last Saturday afternoon 15-0. Walker pitched three innings and Hilton hurled for three while the other was behind the plat.

Walker struckout seven men and did not allow a walk, while Hilton struckout eight and gave up four walks.

The Legions collected a total of eight hits with Walker getting 2 for three, and Hilton two-for-two. Larry Best had two-for-three and Billy Mar in had two-for-four for the winners.

#### ROTARY EDGES LEGION, 4-3

Larry Cooke went all the way for the Rotary Wednesday of this week and set the power-hitting Legion down on just three hits winning 4-3. Cooke, one of the outstanding pitchers in the league now leads the Little League with a 3-0 record.

Arthur Minshew lead the winner at the plate with two-for-three. Little Freddie Eason and Bill Lee also had one-for-three for the Rotary Mickey Walker, Larry Best and Ray Lane had the only hits for the Legion.

In the sixth Lee double, Cooke walked, McNeil popped-out to the short-stop and Eason singled in the tie run and then it happened with Cooke on third Ronnie Batts hit a drive to third and the third sacker errored the ball and Cooke crossed the plate with the winning run.

Really the unsung hero of the day was little Bill Taylor of the Rotary. Taylor the rightfielder of the Rotary robbed the Legion of possible runs in the third and fifth innings. Ray Lane hit a long drive in the third with a man on and Taylor on his horse with the crack of the bat retired Lane with a long out. In the fifth with about the same situation Larry Best hit another drive deep into rightfield but little Taylor ended the threat with another beautiful catch.

Standings as of second week of Play.

Team	won	lost
Rotary	4	1
Legion	3	2
Lions	3	2
Jaycees	0	4

### To Attend FHA Convention In Chicago

Florie Currie

Florie Currie, 16, daughter of Mrs. Florence S. Currie of Kenansville and Zona Carawan, 16, daughter of Mrs. Verna Carawan of Rt. 1, Harrells will be among the 2,000 teenage delegates to the 1959 National Convention of Future Homemakers of America, July 13-17 at the Conrad Hilton Hotel in Chicago, Ill.

They and 80 other FHA'ers were chosen by the State FHA association to represent North Carolina at the National Convention. They will be accompanied by Mrs. Faye T. Coleman, State FHA Adviser, who is a member of the state home economics education supervisory staff.

The five-day convention, planned and carried out by the teen-agers themselves, will give North Carolina delegates opportunity to exchange ideas with FHA'ers from all states, Puerto Rico, and the Virgin Islands. Theme for the convention "Blueprints for Action
